¹ “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of graduates who have completed the program within 100% of the published program length.

³ “Graduates Available for Placement” is the number of graduates minus the number of graduates “Unavailable for Employment,” which means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates Employed in Field” is the number of graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

1 “Graduates Available for Placement” is the number of graduates who have completed the program within 100% of the published program length minus the number of graduates “Unavailable for Employment,” which means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

2 “Graduates Employed in Field” is the number of graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

3 “Annual Salary & Wages Reported by Graduates Employed in the Field” is the amount of salary and wages reported by graduates gainfully employed in the field in increments of $5,000.00; students are not required to supply this information, and in most instances do not.

Note: Pursuant to CEC 94910(d)(1) an institution is only required to make the aforementioned salary and wage information disclosure if the institution makes any expressed or implied claim about the salary that may be earned after completing the educational program. Avalon does not claim any salaries and wages in marketing, advertising, or enrollment practices.
To assist you with information available to the general public, the following wage and salary data for each program offered by Avalon was obtained from the Employment Development Department’s Occupational Employment Statistics website (www.labormarketinfo.edd.ca.gov):

<table>
<thead>
<tr>
<th>Program Name / Occupation Titles</th>

<tr>
<td>Cosmetology (Hairdressers, Hairstylists, &amp; Cosmetologists)</td>
<td>$10.00</td>
</tr>
<tr>
<td>Esthetician (Skincare Specialists)</td>
<td>$12.96</td>
</tr>
</tbody>
</table>

Note: The wages listed in the table do not reflect earnings of self-employed, which can be higher depending on location of a salon, customer tipping practices, and competition from other salons. Initiative and ability to attract and hold regular clients are key factors in determining earnings.
