Students become familiar with the types of products and the differences associated with the chemicals of their new trade. The school utilizes a variety of equipment that meets and exceeds the minimum standards set forth by the state board of cosmetology, including but not limited to: an adequate number of Student Salon Styling Stations and Esthetics Beds, hairdryer chairs, private waxing area, manicure and pedicure stations, shampoo bowls, magnifying lamps, microdermabrasion machines, skin scanners, etc. Student lounge areas include refrigerator, microwave, and vending machines.

Student Financial Assistance

General Information

Avalon School of Cosmetology is an eligible institution approved by the Department of Education for participation in the following State and Federal funding programs. These funding sources are generally referred to as "Title IV" Funding. Upon the determination of eligibility, the School will assist any applicant to apply for the Title IV educational funding. Qualifications are based on individual needs and criteria determined by the federal government and or respective funding organization. The School does not determine funding acceptance. Financial assistance availability to any student does not in any way imply guarantee of admission to Avalon School of Cosmetology, quality of instruction, or employment placement. If a student obtains a loan to pay for an educational program, the student shall have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

We will be happy to assist you with the application process at either facility or, if you prefer, you may begin by contacting **www.fafsa.ed.gov**. This application will request a school code. Our code is **010858**.

Once established for eligibility for any or all financial assistance programs, students are required to meet Satisfactory Academic Progress.

Financial assistance payments are disbursed according to the Department of Education guidelines.

- **PELL GRANT:** A Federal Pell Grant, unlike a loan does not have to be repaid. Pell grants are generally only available for undergraduates. Students must attend at least half time to qualify (minimum 12 clock hours per week). The courses at Avalon qualify for Pell Grant funding. Eligibility is determined by a standard formula. Amounts awarded may vary depending on specific student circumstances. Pell grants are usually the foundation of funding to which other types of funding may be added. Detailed information can be found at **www.studentaid.ed.gov**.
- **WILLIAM D. FORD DIRECT LOAN PROGRAM:** Students must have determined their eligibility for Pell grant funding and attend at least half time to qualify for the Direct Loan Program. Students may receive both a Subsidized and an Unsubsidized loan for the same training period. Subsidized loans are awarded based on financial need. Subsidized Direct Loans interest does not begin to accrue until the last day of attendance. Unsubsidized Direct Loans begin accruing interest once the loan funds are disbursed. Payments for both Subsidized and Unsubsidized loans will begin six (6) months after the last date of attendance.
- **PLUS LOANS:** These loans are available to the parents of dependent students to assist in paying for their children's education. For information regarding available loan amounts, eligibility requirements and applications on any of these funding options go to **www.studentaid.ed.gov**.

Attendance and Academic Policies

Academic Grade Point Average

Grades are determined according to the student's ability to satisfactorily demonstrate that the objectives of the class at hand have been accomplished. Examinations of student progress are performed at regular intervals and at specific levels of achievement. Instructors shall have final say regarding the grade applied.

Leave of Absence

Avalon recognizes that some students may have a compelling reason they are unable to attend school and are entitled to take a Leave of Absence (LOA). Avalon grants LOA's for legitimate reasons; however, no student may exceed a cumulative total of 180 LOA days within any twelve-month period. LOA days may be used consecutively or separately depending on the individual circumstances and reason for the LOA(s).

All LOA requests must be made in writing using the LOA Request Form and are subject to school approval. Some legitimate reasons for an LOA are medical (self or immediate family), military duty, and the death of an immediate family member. All requests should have adequate documentation (i.e., doctor's note, military orders, obituary, etc.) attached to the request.

Although there may be some scheduling issues upon a student's return from an LOA, the LOA shall not have a negative impact on the training or Satisfactory Academic Progress (SAP) for the student. Returning students will return with the same status as when they left and are expected to maintain Satisfactory Academic Progress or better, as well as, compliance with the Institutional Attendance and Academic Requirements. In addition, students who take an LOA will only be schedule to return on a Course Start Date for scheduling reasons.

A Leave of Absence may affect financial assistance eligibility (if applicable), graduation dates, and the student's class schedule.

The Student will need to meet with a financial aid specialist prior to going on an LOA to discuss the financial consequences of not returning to school from the Leave of Absence.

Student Advisory Assistance

Instructors conduct advisory sessions with students each month and on an as needed basis to review academic and attendance progress. This is done either verbally or in written form.

Students are provided a copy of their monthly progress report at the end of each month. School staff will also make themselves available upon request for other reasons. In the event that issues arise outside of the expertise or capability of the School, every effort will be made to guide and/or refer students to appropriate resources.

Stage/Phase One Attendance Policy

To successfully complete the Stage One / Phase One period of instruction, a student may **not** exceed the maximum number of absences during the period of training as outlined below and in the Student Catalog.

- **Cosmetology (Stage One):** The maximum number of absences permitted within the first 10 weeks for Day students or the first 15 weeks Evening students is 35 hours.
- **Master Esthetics (Phase One):** The maximum number of absences permitted within the first 5 weeks of school for both Day and Evening students is 13.5 hours.

Excused absences (doctor visits, prearranged absences, etc.) are still absences counting towards the maximum number of absences. In addition to absences, any missed time including tardies, leaving early, and additional breaks all count towards the maximum absences.

If a student exceeds the maximum absences, they will be dismissed from school. If this occurs the student will have to wait until the next start date that has an open seat available, they must apply and be approved for Re-Entry by the School Director, and will be required to pay the required Drop and Re-Entry Fees.

The student will be required to retake the entire Stage / Phase One class regardless of how many hours they completed during their first attempt, but they will retain the hours previously completed towards the completion of the total program hours upon restarting. Students are not eligible to re-take the Stage / Phase One class more than once.

Institutional Attendance and Academic Policy

To remain enrolled at Avalon School of Cosmetology students are required to remain in good standing for both Academics and Attendance. The minimum institutional requirements are:

Academics: Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the end of each 5-Week period of instruction to remain in good standing. The Total CGPA includes Theory (written exams) and Practical (hands on) skills.

Attendance: Students must achieve a minimum Cumulative Attendance Average of 75% at the end of each 5-Week period of instruction. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

If a student does not make 75% cumulative in either school Attendance or Academics in any given evaluation point, they will be placed on 1st warning for the next 5-Week period of instruction. If the student fails to return to 75% cumulative by the end of their 1st warning, they are placed on 2nd warning. Only two consecutive warning periods are allowed.

The student must achieve a minimum of 75% for both attendance and academics to in order to return to good standing. If in the 2nd warning period, they do not return to good standing by raising their cumulative to 75% or higher the student will be terminated.

Appeals: Students who wish to Appeal the determination that they have not maintained the minimum Academic and Attendance requirements by the end of their warning periods and are scheduled to be terminated, must submit a written appeal to the School Director. The student must include in the appeal why the student failed to maintain good standing and what has changed in the student's situation that will allow the student to reach the minimum academic and attendance requirements. Special consideration may be given for mitigating circumstances (illness, death in the family, etc.). The School Director will notify the student of the appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Institutional Attendance/Academic Warning for one more 5-Week period of instruction. A written plan will be developed with the student that will outline the conditions for the appeal and the minimum periodic goals that must be met for a student to return to good standing. Failure to meet the conditions of the appeal will result in termination without the opportunity to appeal.

Satisfactory Academic Progress Policy

All students enrolled at Avalon are evaluated for Satisfactory Academic Progress at the completion of each evaluation period. In order to maintain eligibility for federal financial aid students must meet minimum Satisfactory Academic Progress (SAP) requirements. The following tables list the evaluation points for each program:

Students are considered as having Satisfactory Academic Progress if, at the evaluation point, they have met all of the following criteria:

- **Attendance:** Students must achieve a minimum cumulative attendance average of 67% at the evaluation point. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.
- **Academics:** Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the evaluation point. The Total CGPA includes Theory (written exams) and Practical (hands on) skills. Students work will be graded based upon the following criteria and grading scale:

Classes/Lab/Theory:

- Tests
- Assignments
- Participation
- Attendance

Percentage	Grade
90-100%	A
80-89%	B
75-79%	C
0-74%	F

- **Maximum Timeframe:** Students are required to complete the program within the Maximum Timeframe, which is 150% of the normal timeframe. In order to be considered progressing satisfactorily students must complete the hours for the specified Evaluation Point in less than the Maximum Timeframe listed above.

Only students who maintain Satisfactory Progress are eligible to receive Title IV Student Financial Aid (Pell Grants, Stafford Loans, PLUS Loans, etc.). Students who meet the minimum requirements for Attendance, Academics, and Maximum Timeframe shall be considered to be making satisfactory academic progress until the next scheduled evaluation. The results of the Satisfactory Academic Progress evaluation are maintained in the student's file and are available for review upon request.

If a student does not meet the minimum requirements, they will be placed on Satisfactory Academic Progress Warning until the next evaluation point. Students will receive a written notification of their Warning and a copy will be kept in the student's file. Students on Warning are considered making satisfactory academic progress. If the student fails to meet the minimum requirements at the next evaluation point all financial aid will be terminated unless the student successfully appeals this result, which will result in a status of Probation.

Appeals: Students may appeal if there are mitigating circumstances such as a death in the family, serious injury or illness, or other mitigating circumstances. Students who wish to Appeal the determination that they have not maintained Satisfactory Academic Progress must submit a written appeal to the School Director. The student must include in the appeal why the student failed to make satisfactory progress and what has changed in the student's situation that will allow the student to demonstrate satisfactory progress at the end of the next evaluation point. The School Director will notify the student of their appeal in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Satisfactory Academic Progress Probation for the following evaluation period. A written plan will be developed with the student that will outline periodic goals to outline how the student will be able to achieve SAP by the next Evaluation Point. Students on Satisfactory Academic Progress Probation are still eligible to receive Title IV Student Financial Aid. However, the student must be making satisfactory academic progress at the next Evaluation Point or all Title IV Student Financial Aid will be terminated. All appeal documentation will be maintained in the student's Financial Aid file.

Re-Establishing Eligibility: The student whose financial aid has been terminated for unsatisfactory academic progress will not be paid any additional financial aid until they have completed the hours previously paid for with a 75% cumulative GPA and will be able to complete the program within the maximum timeframe.

Leave of Absences: A student who takes a leave of absence shall return with the same satisfactory academic progress status as prior to the leave. An approved Leave of Absence will extend the student's contract period and maximum timeframe by the same number of days in the leave of absence.

Re-Entry Students: Students permitted to re-enter school will enter school in the same progress status as when they left. Evaluation Points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Transfer Students: Transfer hours from another institution, which are accepted toward the student's program completion, are counted as both hours attempted and completed for the purpose of determining when the allowable Maximum Timeframe has been exhausted. Evaluation Points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Official Interruptions, Course Incompletes, and Repetitions: Official interruptions, course incompletes, and repetitions have no effect upon satisfactory standards.

Return of Title IV Funds Policy

The law specifies that a school must determine the amount of SFA Title IV funds available to you in the event that you withdraw. As of October 7, 2000, the law requires that when you withdraw during a payment period or period of enrollment, the amount of SFA Title IV funds that you have earned up to that point is determined by a specific formula set forth by the Department of Education.

The School defines a Payment Period as the midpoint of the scheduled hours and instructional weeks in our defined program Academic Year. If the School received less funding on your behalf than the amount that you have earned, the school will be entitled to receive the additional funding in the amount you have earned. If the school has received more funding than you have earned, the excess funds must be returned. This process must be completed within 45 days of determining your last date of attendance and refunds will be made according to Federal Guidelines.

The amount of SFA Title IV funds that you have earned is determined on a pro-rata basis of scheduled hours. That is, if you were scheduled to complete 30% of the payment period, you have earned 30% of the funds you were originally scheduled to receive. Once you have been scheduled to complete more than 60% of the payment period, you are entitled to all of your funds. In the event that the school has received excess funds on your behalf, those funds are required to be returned to the Department of Education.

If a student receives an overpayment of a student loan, that overpayment must be returned. Any loan funds that must be returned are repaid in accordance with the terms of that promissory note. That is, you make scheduled payments to the Department of Education over a period of time.

In the event that a student receives an over-award of a Pell Grant, federal law provides that you may keep 50% of the over-award received. The student bears all responsibility to return funds in excess of the 50% over-award. Instructions and assistance in returning the over-awarded funds are available from School administration. All over-awards are reported by the school to the Department of Education.

Failure to return any funds due will result in your losing eligibility for any future Title IV Student Financial Aid.

Termination of Enrollment

The School may terminate the student's enrollment when:

- The student notifies the school of their withdrawal from school. If Student is of minor age notice of termination must be made by Guarantor.
- If the student fails to notify the school of withdrawal, the school may terminate after fourteen (14) consecutive calendar days of non-attendance. The school monitors student clock hour attendance at least every seven (7) days.

- The student fails to return from a Leave of Absence (LOA) on the scheduled date of return. The date of withdrawal shall be the earlier of the scheduled date of return or the date the student notifies the school that they will not be returning from the LOA
- The student fails an academic or attendance probation
- The student violates the school rules and regulations

Other School Policies

Americans with Disabilities Act

The School does not discriminate in admission or access to our programs on the basis of age, race, color, sex, disability, religion, sexual orientation, or ethnic origin. If you would like to request academic adjustments or auxiliary aids, please contact the School Director. You may request academic adjustments or auxiliary aids at any time. The School Director is responsible for coordinating compliance with Section 504 of the Rehabilitation Act of 1973 and Title III of the Americans with Disabilities Act of 1990.

Applicants, who are persons with disabilities, as defined in paragraph 104.3(j) of the regulation under Section 504 of the Rehabilitation Act of 1973, may apply for admittance into the program. The School will work with the applicant or student to determine whether reasonable accommodations can be effective and/or are available.

Any qualified individual with a disability requesting an accommodation or auxiliary aid or service should follow this procedure:

- Notify the School Director in writing of the type of accommodation needed, date needed, documentation of the nature and extent of the disability, and of the need for the accommodation or auxiliary aid. The request should be made at least four weeks in advance of the date needed.
- The School Director will respond within two weeks of receiving the request.
- If you would like to request reconsideration of the decision regarding your request, please contact the School Director within one week of the date of the response. Please provide a statement of why and how you think the response should be modified.

Copyright Infringement Policy

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

Course Length

Each class that begins will have a **projected** graduation date. Because your training consists of applying your craft while accumulating your hours, the actual graduation date will vary student to student depending on attendance determined by actual hours earned. Students who have transferred from another school, and whose hours have been accepted by the School, will have a projected graduation date based upon the remaining hours needed.

Students not completing their program by the end of their contract term will pay over-contract charges based upon their Enrollment Agreement. If a veteran student exceeds their training time and have incurred over-contract charges, these charges will not be paid by the veteran administration and will be the sole responsibility of the veteran. The veteran administration will only be billed for the approved program length.

Family Educational Rights and Privacy Act (FERPA) Policy

To protect the privacy of students and families, federal law sets certain conditions on the disclosure of personal information from records kept by schools that participate in the FSA programs. The relevant law is the Family Educational Rights and Privacy Act of 1974 (FERPA). For a hard copy of Avalon School of Cosmetology's FERPA policies, please visit the administrative offices, review the School Catalog, or go to the school's website at: <http://avalon.edu/about/consumer-disclosure/>.

Avalon School of Cosmetology's FERPA Policy covers important information with regards to the rights provided to student's records. This policy covers important information, including, but not limited to, the following:

- The right to inspect and review the student's educational records within 45 days of the day the School receives the request for access, and records that are exempt and not included as the student's record;
- The right to request an amendment of the student's educational records that the student believes are inaccurate, misleading, or in violation of the student's privacy;

- The right to deny consent to disclosures of personally identifiable and directory information contained in the student’s educational records, except to the extent that FERPA authorizes disclosures without consent, such as the Department of Education and Accrediting Agencies (NACCAS);
- The definition of what Avalon School of Cosmetology has designated as “Directory Information” that may be released without consent to any inquirer;
- Information regarding how students may request additional Personally Identifiable Information be disclosed to a specific individual (in writing, each time);
- Prevention of disclosure of directory information;
- Access without consent; and
- The right to file a complaint about alleged non-compliance with FERPA.

The policy is designed to ensure students’ rights by safeguarding our academic and financial records and ensuring only authorized persons access them. Avalon retains student records for a minimum of 5 years and retains student transcripts indefinitely.

Transcript Requests: All students may obtain a copy of their transcripts by filling out a Transcript Request Form from the Administrative Offices. Once the form is completed and submitted, it will be processed and mailed to the student. The school may charge a reasonable fee when requested to provide official transcripts.

Housing

Avalon School of Cosmetology does not provide, subsidize, or recommend housing.

Month	Holiday	Month	Holiday
January	New Year’s Day January 1 st	November	Thanksgiving Day Fourth Thursday in November
May	Memorial Day Last Monday of May		Day After Thanksgiving
July	Independence Day July 4 th	December	Christmas Eve December 24 th

Student Grievance Policy

If a student has a complaint or problem while they are at Avalon School of Cosmetology, it is our sincere desire to help clear up the problem so that the educational process may continue to take place.

If the Student has a complaint with another student or a staff member, it is first recommended that they try to talk with that person and constructively work out the complaint. After this, if the Student is not satisfied, then it is recommended that they go to their instructor to have the instructor help work out the problem.

Then, if the instructor is unable to help resolve the problem, the Student is referred to the Education Director. The Education Director will then try to help resolve the problem. If none of the Student's efforts are successful, they are then referred to the School Director.

An official Student Complaint Form may be completed during any point during the process, but must be submitted within thirty (30) business days of when the incident/topic of the complaint occurred. The school has fourteen (14) business days to respond to any Student Complaint Form that has been submitted and the outcomes shall be documented. Student Complaints Forms are handled by the School Director, or designee. Once a determination for resolution of the complaint has been made by the School, the Student may appeal the determination if additional information or evidence is presented; however, once a final determination has been made the case is considered closed.

Binding Arbitration and Class Action Waiver Agreement

Pursuant to the Federal Arbitration Act (9 U.S.C § 1-16), Student and Avalon agree that either party may elect, without the other's consent, to require that any dispute concerning the Student's account be resolved by binding arbitration. The only exception to arbitration of claims is that both the Student and School have the right to pursue a claim in state court instead of arbitration for claims related to the School's collection of any negative balance or amounts the Student owes Avalon under their Enrollment Agreement. The exception applies if the claim is in that court's jurisdiction and proceeds on an individual basis.

Arbitration replaces the right to go to court, including the right to a jury trial and the right to participate in a class-action or similar proceeding. The arbitration must be filed with the American Arbitration Association and must follow their rules and procedures for initiating and pursuing an arbitration.

If the Student or School initiates arbitration, the Student and School agree to notify the other in writing. The arbitration shall be conducted in the same city as the U.S. District Court in the Student's state that is closest to their home address, unless the parties agree to a different location in writing.

Nothing herein shall be deemed to limit or constrain the School's right to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate

jurisdiction, provided, however, that the Student or School may elect to arbitrate any dispute related to such provisional remedies.
