STUDENT FINANCIAL ASSISTANCE

General Information

Avalon Institute is an eligible institution approved by the Department of Education for participation in the following State and Federal funding programs. These funding sources are generally referred to as "Title IV" Funding. Upon the determination of eligibility, the School will assist any applicant to apply for the Title IV educational funding. Qualifications are based on individual needs and criteria determined by the federal government and or respective funding organization. The School does not determine funding acceptance.

Financial assistance availability to any student does not in any way guarantee admission to Avalon Institute, quality of instruction, or employment placement.

If a student obtains a loan to pay for an educational program, the student shall have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds. Financial assistance payments are disbursed according to the Department of Education guidelines. Once established for eligibility for any or all financial assistance programs, students are required to maintain Satisfactory Academic Progress.

We will be happy to assist you with the application process at either facility or, if you prefer, you may begin by contacting www.fafsa.ed.gov. This application will request a school code. Our code is **030274**.

Student Financial Aid Programs

- **PELL GRANT:** A Federal Pell Grant, unlike a loan does not have to be repaid. Pell grants are generally only available for undergraduates. Students must attend at least half time to qualify (minimum 12 clock hours per week). The courses at Avalon qualify for Pell Grant funding. Eligibility is determined by a standard formula. Amounts awarded may vary depending on specific student circumstances. Pell grants are usually the foundation of funding to which other types of funding may be added. Detailed information can be found at www.studentaid.ed.gov.
- **WILLIAM D. FORD DIRECT LOAN PROGRAM:** Students must have determined their eligibility for Pell grant funding and attend at least half time to qualify for the Direct Loan Program. Students may receive both a Subsidized and an Unsubsidized loan for the same training period. Subsidized loans are awarded based on financial need. Subsidized Direct Loans interest does not begin to accrue until the last day of attendance. Unsubsidized Direct Loans begin accruing interest once the loan funds are disbursed. Payments for both Subsidized and Unsubsidized loans will begin six (6) months after the last date of attendance.
- **PLUS LOANS:** These loans are available to the parents of dependent students to assist in paying for their children's education. For information regarding available loan amounts, eligibility requirements and applications on any of these funding options go to www.studentaid.ed.gov.

Payment Methods

Avalon Institute requires its students to pay for their education within 12 months from the date of enrollment, completion of the program or exiting the program, whichever is shorter. The payment period is interest free. Although financial aid may be available, the student is responsible for all balances due the school. Available payment methods are Title IV Financial Aid, cash, credit card, money order, and check.

Avalon Institute accepts scholarships awarded to students through outside entities as payment towards the student's program costs. Avalon Institute may sometimes offer scholarships to potential students. Anytime a scholarship is available, rules for how to apply, amounts awarded, and the entire scholarship process will be issued. Eligible students are encouraged to apply.

Veteran's Educational Benefits

Avalon Institute is proud to serve our military veterans and their dependents as they pursue their educational goals. We are approved by the state approving agency to accept educational benefits. To secure benefits, Veterans can obtain a Certificate of Eligibility (COE) from the Department of Veteran's Affairs to determine availability of these benefits.

If there is a delay in the disbursement of funds from the Department of Veteran's Affairs for a covered individual, Avalon Institute will not impose a penalty on the student; including the assessment of late fees, the denial of access to classes/libraries/facilities, or requiring the covered individual to borrow additional funds.

Prior Credit: Any students using Veterans educational benefits, the Veterans administration requires you to submit to the school any prior college training, including military, you have had in the form of a transcript (can be unofficial transcripts) for possible credit. The transcripts will be evaluated and granted appropriate credit towards the current enrollment. For additional information go to www.gibill.va.gov.

STUDENT ACCOUNTS AND FINANCIAL AID POLICIES

Three-Day Cancellation Policy

If Student is denied for training by the School, Student will receive 100% refund on all monies paid. If the Student, or Guarantor if Student is a minor, provides written notice of cancellation within three (3) days (excluding Saturday, Sunday and Federal/State Holidays) of executing this agreement, the Student will be entitled to a 100% refund of all monies paid. If the Student, or Guarantor if Student is a minor, cancels this agreement after three (3) days (excluding Saturday, Sunday and Federal/State Holidays) of executing this agreement, but prior to beginning training, the Student will be entitled to a 100% refund of all monies paid except for the \$50.00 Application Fee. No later than 30 days of receiving the notice of cancellation, the School shall provide the 100% refund.

Collections Policy

If the student fails to make the required payments to the school upon termination of the program, Avalon may use third party representation to collect funds owed to the school. This collection process will adhere to the following guidelines:

- Collection procedures will reflect good taste and sound, ethical business practices.
- Collection correspondence regarding cancellation and settlement from the institution itself, banks, collection agencies, lawyers, or any other third parties representing the institution clearly acknowledges the existence of the withdrawal and settlement policy.
- The name of the National Accrediting Commission of Career Arts & Sciences is not used in any collection efforts.
- If the promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of the institution.

Refund Policy

For a Student who enrolls in and begins classes, the following schedule of tuition adjustment is authorized whether the Student withdrawals or is terminated. Refunds are calculated using the length of the entire program. The School does not have a cancellation charge, but will assess a Termination Fee of \$100.00. The policy of granting credit for previous training shall not impact the refund policy. Any sums paid to the School herein shall be subject to the following refund policy:

A student terminating training...	Is Entitled To a Refund of:
Within first 10% of Program	90% less termination charge
After 10% but within first 25% of Program	75% less termination charge
After 25% but within first 50% of Program	50% less termination charge
After 50% but within first 75% of Program	25% less termination charge
After 75% (if paid in full, termination charge is not applicable)	No Refund

Refunds will be made within 30 days after the School has determined that the Student has withdrawn from class, whether officially or unofficially. Enrollment time is defined as the time elapsed between the actual starting date and the Student’s last day of physical attendance in the school. All refunds are calculated on hours the Student was scheduled to complete as of the official date of termination or withdrawal. Cancellation or termination date is determined by the postmark on written notification or the date notice of cancellation is delivered to the school

administration in person. Charges for Books, Tools, and Supplies are non-refundable after being issued to the Student.

If a school is permanently closed and no longer offers instruction after the student has enrolled the student is entitled to a refund on a pro-rata basis for any student transferring to another school based on the hours accepted by the receiving school or a full refund of all moneys paid. If a course is cancelled subsequent to a student's enrollment, and before instruction in the program or course has begun, the school shall at its option provide completion of the course or provide a full refund of all monies paid.

Return of Title IV Funds Policy

The law specifies that a school must determine the amount of SFA Title IV funds available to you in the event that you withdraw. As of October 7, 2000, the law requires that when you withdraw during a payment period or period of enrollment, the amount of SFA Title IV funds that you have earned up to that point is determined by a specific formula set forth by the Department of Education.

The School defines a Payment Period as the midpoint of the scheduled hours and instructional weeks in our defined program Academic Year. If the School received less funding on your behalf than the amount that you have earned, the school will be entitled to receive the additional funding in the amount you have earned. If the school has received more funding than you have earned, the excess funds must be returned. This process must be completed within 45 days of determining your last date of attendance and refunds will be made according to Federal Guidelines.

The amount of SFA Title IV funds that you have earned is determined on a pro-rata basis of scheduled hours. That is, if you were scheduled to complete 30% of the payment period, you have earned 30% of the funds you were originally scheduled to receive. Once you have been scheduled to complete more than 60% of the payment period, you are entitled to all of your funds. In the event that the school has received excess funds on your behalf, those funds are required to be returned to the Department of Education.

If a student receives an overpayment of a student loan, that overpayment must be returned. Any loan funds that must be returned are repaid in accordance with the terms of that promissory note. That is, you make scheduled payments to the Department of Education over a period of time.

In the event that a student receives an over-award of a Pell Grant, federal law provides that you may keep 50% of the over-award received. The student bears all responsibility to return funds in excess of the 50% over-award. Instructions and assistance in returning the over-awarded funds are available from School administration. All over-awards are reported by the school to the Department of Education.

Failure to return any funds due will result in your losing eligibility for any future Title IV Student Financial Aid.

Termination of Enrollment

The School may terminate the student's enrollment when:

- The student notifies the school of their withdrawal from school. If Student is of minor age notice of termination must be made by Guarantor.
- If the student fails to notify the school of withdrawal, the school may terminate after fourteen (14) consecutive calendar days of non-attendance. The school monitors student clock hour attendance at least every seven (7) days.
- The student fails to return from a Leave of Absence (LOA) on the scheduled date of return. The date of withdrawal shall be the earlier of the scheduled date of return or the date the student notifies the school that they will not be returning from the LOA
- The student fails an academic or attendance probation
- The student violates the school rules and regulations

Students are not permitted to clock in if they are more than 15 minutes late for their scheduled start time.

Students scheduled for at least six hours of training on any given day are provided with a 30-minute lunch period and must clock out for their lunch break each day. Other breaks taken at the school are limited to a maximum of

15 minutes unless otherwise specified by a faculty or staff member. When leaving the facility for a break, students must inform their instructor and the front desk, and clock out.

Students violating this rule shall be suspended. If a student loses their time card or forgets it at home, they will be given the opportunity to go home to retrieve their card from their instructor and the front desk, or the student must purchase a temporary card for \$5.00 in order to clock in and attend the day. The student must return the temporary card before their old card will be reactivated or in order to receive their new card when it is received.

Attendance

Permission to leave the school during school hours must be obtained from the student's instructor or staff member. In the event that a student will be tardy or absent, the student must contact the school prior to the beginning of class. Failure to contact the school is considered a No Call No Show (NCNS). Such violation will result in either a verbal or written warning, In-School Suspension (ISS), or Out-of-School Suspension (OSS).

Any absence from school, including prearranged and excused absences, will affect your attendance percentage. All students are required to make up missed assignments on their own time.

Mandatory Training

While the expectation for students is to attend each day of their training the following are considered Mandatory training days.

- **Fridays & Saturdays:** Programs attending Tuesday through Saturday
- **Holidays:** the scheduled days immediately before and after a school administered holiday.

Students may pre-arrange to be absent for any mandatory training day with at least 24 hours' notice. If a student calls out on a Mandatory day before the start of their schedule, they will receive 1 day of In-School Suspension (ISS). Students who fail to call out prior to the start of their schedule will be considered a No Call No Show (NCNS) and receive 2 days of ISS.

Pre-Arrange In / Make-up Hours

Students cannot attend a theory or practical class on the opposite shift due to differences in curriculum offered between the sessions and student-to-instructor ratios.

Esthetician: Due to the short duration of the Esthetician program and the need to cover all material, Esthetician students are only allowed to Prearrange In up to a maximum of 100% of their Scheduled Hours in order to makeup hours they have been previously absent from school. Public clients will always be given first priority for service operations. Personal services for students will not be allowed to interfere with class schedules, required assignments, or assigned public client services.

Personal services are intended to increase knowledge of the services from the client's point of view; therefore, personal services are only to be administered during the student's regularly scheduled school hours and for services directly related to their program of study.

A Student Price List of available personal services to the students is available for review at the Front Desk. Anyone discovered to be carrying a weapon, regardless if the owner of the weapon has a permit to carry or not, may be terminated from the program.

Distance Education

Distance Education is a component of training at Avalon Institute. All students must understand that the state in which the school operates will accept academic achievement earned via Distance Education; however, it may not be accepted for reciprocity or eligible for licensure in other states, depending on the laws and regulations enacted by other states. Although many states already have provisions to accept this type of alternative training, Avalon Institute cannot confirm acceptance of these types of hours by any other states.

Participation in the Distance Education platform is synchronous (same school schedule, led by the instructor) and will require consistent internet connectivity and the ability to attend regularly scheduled class hours in the manner in which Avalon Institute dictates the curriculum. All students must use an electronic device that supports the applications needed to be used, as well as, will meet the necessary system requirements to operate such applications. As part of the student kit, the student will receive a device that meets these system requirements. Cameras are required to be used while in the virtual classroom environment, and the virtual classroom will be recorded for quality assurance purposes. All of the school's Standards of Conduct still apply while working in the Distance Education platform.

Clock hours will be recorded manually by the instructor in an online "virtual classroom" environment by taking roll at the beginning of each day, at break time, and at the end of the day, and then activity will be verified within the designated distance learning platform to confirm hours awarded each day. Failure to comply with the requirements to achieve attendance and post activities within the distance learning platform, per the rules put in place by Avalon Institute, could still result in disciplinary action or temporary/permanent suspension of training as outlined in the school's written Attendance and Academic Policies.

COVID-19 Exposure Plan & Community Guidelines

The following plan and set of guidelines related to the COVID-19 pandemic is subject to change as updates are released by our Governing Officials. Safety to our campus community is our priority, and with that it is critical that we adhere to safety and sanitation guidelines to mitigate the spread of COVID-19. By following safety guidelines, developed in accordance with guidance from the Centers of Disease Control and Prevention (CDC) and Occupational Safety and Health Administration (OSHA), we feel that our team and community will be able to do an even better job of protecting themselves and their clients.

All Avalon Students are expected to adhere to the following recommended guidelines:

- Frequently wash your hands with soap and water for at least 20 seconds or use hand sanitizer with at least 60% alcohol if soap and water are not available.
- Avoid touching your face.
- Sneeze or cough into a tissue or the inside of your elbow. Discard used tissues in the trash and immediately wash hands with soap and water for at least 20 seconds. If soap and water are not available, use hand sanitizer containing at least 60% alcohol. Learn more about coughing and sneezing etiquette on the CDC website.
- Disinfect frequently used items and surfaces as much as possible.
- Avoid using other people's phones, desks, offices, or other work tools and equipment when possible. If necessary, clean and disinfect them before and after use.
- Strongly consider wearing courtesy masks in public and while using mass transit to mitigate your exposure outside of the campus as well.

Avalon will strictly enforce a **"Stay-at-Home When Sick" (or Symptomatic) Policy, with no exceptions.**

- **People who feel sick should stay home.** Don't go to work or school and contact a medical provider. If in doubt, please stay home. Please be conscious and courteous.
- **Temperature checks:** Avalon will use a touchless infrared thermometer to check those entering the building each day, and for each client who enters our clinics or classes. Any student, employee, or client who has a temperature at or above 100.4 degrees (a temperature set forth by the CDC) will be sent home immediately, and not be allowed to return to the campus until they are fever-free without the use of fever-reducing medications and with no evidence of COVID-19 symptoms.
- **Screening Questions:** Avalon will ask each student and client entering the campus the following screening questions:
 - Have you been around anyone exhibiting these symptoms within the past 14 days?
 - Are you living with anyone who is sick or quarantined?
 - Have you had any COVID-19 symptoms? These symptoms include the following:
 - Difficulty Breathing or Shortness of Breath
 - Loss of Taste or Smell
 - Muscle Pain, Fever or Chills
 - Cough or Sore Throat
- **Courtesy Masks:** Students, employees, and clients are required to wear and supply their own masks on campus. The school will have a limited supply of courtesy masks should an individual have misplaced or lost theirs.

Note: Courtesy Masks are not designed to protect your lungs from airborne hazards, and do not meet National Institute of Safety and Health (NIOSH) or industry standards, but have been shown to mitigate transmission of COVID-19.

- **Physical Distancing:** Students, employees and clients are required to respect social distancing guidelines while on campus. We will strive to limit the number of students and staff members in a classroom to ensure safe physical distancing of 6' between seating and tables.
- **Classrooms & Clinics:** We will strive to limit the population of the building and students per classroom and ensure there is adequate distancing in the hallways between classroom usage. This may be accomplished by requiring online learning for theoretical portions of the program.
- **Breakrooms:** Classroom breaks are staggered, however due to space limitations, breaks should be taken where possible in cars or outside, while maintaining proper distancing;

- **Disinfection & Sanitation Standards:** Increased and consistent sanitation procedures and protocols are in place to ensure the health and welfare of our students, clients, and staff.

Avalon’s Exposure Plan

- **Possible Exposure:** If a student or staff member has *possibly* been exposed and is undergoing self-quarantine and/or testing (i.e., out of an abundance of caution/fear, exhibits any type of symptoms, etc.).
- **Direct Exposure:** In the event a student or staff member is confirmed with COVID-19, we will notify those identified as having been in close contact, per local Health Department guidance, and encourage them to begin self-quarantine for 14 days, and/or be tested for the virus if directed to do so by a healthcare professional.
- **Positive Test Results:** Any positive COVID-19 test results must be immediately reported to the campus administration for proper notification of those possibly exposed and to give the on-site staff the chance to disinfect all areas in which the individual may have been in while at the campus.
- **Temporary Closing of On-Site Training:** The school may choose to close on-site training, and switch to online training, for up-to two weeks to those populations of students or employees that have been identified as directly exposed.

Type of Exposure	How long before returning to Campus?	Recommendation
Possible Exposure - No Test	3 Days (72 hours) without symptoms (without fever-reducing medication)	Attend scheduled online days to post attendance
Possible Exposure - Negative Test	Upon receiving results	Attend scheduled online days to post attendance
Direct Exposure - No Test	14 Days (Self-Quarantine) from Date of Exposure	Attend scheduled online days to post attendance
Direct Exposure - Negative Test	3 Days (72 hours) from Date of Exposure and no symptoms (without fever-reducing medication)	Attend scheduled online days to post attendance
Confirmed Case - No Symptoms**	10 Days from first positive test and no symptoms (without fever-reducing medication)	Attend online days to post attendance or request a Leave of Absence
Confirmed Case - Symptoms**	3 Days (72 hours) since resolution of fever (without fever-reducing medication) and improved respiratory symptoms (cough, difficulty breathing, etc.) AND at least 10 Days since symptoms first appeared	Attend online days to post attendance or request a Leave of Absence
<p><i>**Symptoms cannot be used to gauge where an individual is in the course of their illness, so it is possible that the duration of viral shedding could be longer or shorter than 10 days after their first positive test. After 10 days any viral shedding should be a low enough level to no longer be considered transmittable, but an individual may still test positive as the level is high enough to register on the test. Therefore, a follow-up negative test result is not required to return to campus, provided these conditions have been met.</i></p>		

Students acknowledge that, despite the rules that the School is requiring all students and staff to follow, there is some risk of being exposed to the coronavirus, as there is with any other illness, and agree to accept that risk. Students must understand that failure to comply with any of these rules will result in disciplinary action up to and including dismissal from School.

Client Relations and Rules

- Students are required to wash their hands prior to serving each client. All students are expected to maintain a neat and clean presentation of themselves and their work area.

- Students are expected to protect their clients, personal possessions and clothing at all times. Students are required to use clean tools and materials for any procedure for each client.
- Students are required to accept any client. Exceptions will only be permitted by an Instructor or Education Director due to contraindications discovered during consultation. In the event that a student violates this requirement without permission or creates a negative scene on the student salon floor, the student will immediately be dismissed for the day. Repeat infractions may result in temporary or permanent suspension of training.
- Every service performed by a student must have a ticket issued by the front desk and be inspected and cleared by an instructor. This includes outside guests, models, and student personal services.
- Unless receiving services, personal visitors are not allowed. This includes friends and relatives.
- Instructors will only perform services for students if they are demonstrating methods or techniques or preparing for a modeling session.
- Students may perform services for friends or family, provided they pay the regular student salon rates.
- Personal and/or business phone calls, either incoming or outgoing, are not allowed at the reception desk. Unless an emergency occurs, students will not be permitted to leave class or interrupt the service of a client to take a phone call. Cellular phones and all other personal electronic devices must be turned off or silenced at the time that a student clocks in for training.
- Students are required to perform monitor duties when assigned. Upon completion, the task will be inspected by an instructor prior to the student leaving at the end of the day.

ATTENDANCE AND ACADEMIC POLICIES

Grading

Grades are determined according to the student's ability to demonstrate satisfactorily that the objectives of the class at hand have been accomplished. Examinations of student progress are performed at regular intervals and at specific levels of achievement. Instructors shall have final say regarding the grade applied

Leave of Absence

Avalon recognizes that some students may have a compelling reason they are unable to attend school and are entitled to take a Leave of Absence (LOA). Avalon grants LOA's for legitimate reasons; however, no student may exceed a cumulative total of 180 LOA days within any twelve-month period. LOA days may be used consecutively or separately depending on the individual circumstances and reason for the LOA(s).

All LOA requests must be made in writing using the LOA Request Form, which includes the student's reason for LOA and their signature, unless unforeseen circumstances prevent the student from doing so and are subject to school approval. Some legitimate reasons for a LOA are medical (self or immediate family), military duty, and the death of an immediate family member. All requests should have adequate documentation (i.e., doctor's note, military orders, obituary, etc.) attached to the request.

If unforeseen circumstances prevent the student from requesting the LOA prior to the scheduled start date or submitting the required request form and documentation, the institution will document the reason for its decision to approve the LOA and will collect the signed request from the student upon their return from LOA. If the LOA Request is denied by the School Director, the student will be terminated as per normal attendance policies if they stop attending.

Although there may be some scheduling issues upon a student's return from a LOA, the LOA shall not have a negative impact on the training or Satisfactory Academic Progress (SAP) for the student. Returning students will return with the same status as when they left and are expected to maintain SAP or better, as well as, compliance with the Institutional Attendance and Academic requirements. In addition, students who take a LOA will only be schedule to return on a Course Start Date for scheduling reasons.

A Leave of Absence may affect financial assistance eligibility (if applicable), graduation dates, and the student's class schedule. Students are not assessed any additional institutional charges as a result of taking a LOA. A student granted a LOA is not considered to have withdrawn and no refund calculation is performed as a result of a LOA. The Student will need to meet with a financial aid specialist prior to going on a LOA to discuss the financial consequences of not returning to school from the Leave of Absence.

The student's Contract End Date will be extended by the same amount of time that the student is out on LOA and the student's new Contract End Date will be noted on their signed LOA Request Form which will act as an Addendum to their Enrollment Agreement.

Student Advisory Assistance

Instructors conduct advisory sessions with students at the end of each 5-week Unit and on an as needed basis to review academic and attendance progress. This is done either verbally or in written form.

Students are provided a copy of their monthly progress report at the end of each Unit. School staff will also make themselves available upon request for other reasons. In the event that issues arise outside of the expertise or capability of the School, every effort will be made to guide and/or refer students to appropriate resources.

Stage/Phase One Attendance Policy

To successfully complete the Stage One / Phase One period of instruction, a student may not exceed the maximum number of absences during the period of training as follows:

Cosmetology & Barbering: The maximum number of absences permitted within the first 10 weeks for Day students is 35 hours.

Esthetics: The maximum number of absences permitted within the first 5 weeks for Day students is 17 hours.

Excused absences (doctor visits, prearranged absences, etc.) are still absences counting towards the maximum number of absences. In addition to absences, any missed time including tardies, leaving early, and additional breaks all count towards the maximum absences.

If a student exceeds the maximum absences, they will be dismissed from school. If this occurs the student will have to wait until the next start date that has an open seat available, they must apply and be approved for Re-Entry by the School Director, and will be required to pay the required Drop and Re-Entry Fees.

The student will be required to retake the entire Stage / Phase One class regardless of how many hours they completed during their first attempt, but they will retain the hours previously completed towards the completion of the total program hours upon restarting. Students are not eligible to re-take the Stage / Phase One class more than once.

Institutional Attendance and Academic Policy

To remain enrolled at Avalon Institute students are required to remain in good standing for both Academics and Attendance. The minimum institutional requirements are:

Academics

Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the end of each 5-Week period of instruction to remain in good standing. The Total CGPA includes Theory (written exams) and Practical (hands on) skills.

Attendance

Students must achieve a minimum Cumulative Attendance Average of 75% at the end of each 5-Week period of instruction. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

If a student does not make 75% cumulative in either school Attendance or Academics in any given evaluation point, they will be placed on 1st warning for the next 5-Week period of instruction. If the student fails to return to 75% cumulative by the end of their 1st warning, they are placed on 2nd warning. Only two consecutive warning periods are allowed.

The student must achieve a minimum of 75% for both attendance and academics to in order to return to good standing. If in the 2nd warning period, they do not return to good standing by raising their cumulative to 75% or higher the student will be terminated.

Appeals

Students who wish to Appeal the determination that they have not maintained the minimum Academic and Attendance requirements by the end of their warning periods and are scheduled to be terminated, must submit a written appeal to the School Director. The student must include in the appeal why the student failed to maintain good standing and what has changed in the student's situation that will allow the student to reach the minimum academic and attendance requirements. Special consideration may be given for mitigating circumstances (illness, death in the family, etc.). The School Director will notify the student of the appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Institutional Attendance/Academic Warning for one more 5-Week period of instruction. A written plan will be developed with the student that will outline the conditions for the appeal and the minimum periodic goals that must be met for a student to return to good standing. Failure to meet the conditions of the appeal will result in termination without the opportunity to appeal.

Satisfactory Academic Progress Policy

All students enrolled in a NACCAS-approved program at Avalon are evaluated for Satisfactory Academic Progress (SAP) at the completion of each evaluation point. In order to maintain eligibility for federal financial aid students must meet minimum SAP requirements. The following tables list the evaluation points for each program based on an Academic Year:

Cosmetology Program – 1,500 Hours				
Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 450	13 Weeks	19 Weeks	20 Weeks	30 Weeks
AY1 - 900	26 Weeks	39 Weeks	40 Weeks	60 Weeks
AY2 - 1200	34 Weeks	51 Weeks	53 Weeks	80 Weeks

Barbering Program – 1,500 Hours				
Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 450	13 Weeks	19 Weeks	20 Weeks	30 Weeks
AY1 - 900	26 Weeks	39 Weeks	40 Weeks	60 Weeks
AY2 - 1200	34 Weeks	51 Weeks	53 Weeks	80 Weeks

Esthetics Program – 600 Hours				
Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 300	10 Weeks	16 Weeks	13 Weeks	20 Weeks

Students are considered as making SAP if, at the evaluation point, they have met all of the following criteria:

Attendance

Students must achieve a minimum cumulative attendance average of 67% at the evaluation point. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

Academics

Students must achieve a minimum Total Cumulative Grade Point Average of 75% at the evaluation point. The Total CGPA includes Theory (written exams) and Practical (hands on) skills. Students work will be graded based upon the following criteria and grading scale:

Percentage	Grade
90-100%	A
80-89%	B
75-79%	C
0-74%	F

Maximum Timeframe

Students are required to complete the program within the Maximum Timeframe, which is 150% of the normal timeframe to complete the program. In order to be considered progressing satisfactorily, students

must complete the hours for the specified evaluation points in less than the Maximum Timeframe(s) listed in the charts above.

Only students who maintain SAP are eligible to receive Title IV Student Financial Aid (Pell Grants, Stafford Loans, PLUS Loans, etc.). Students who meet the minimum Attendance, Academics, and Maximum Timeframe requirements shall be considered to be making SAP until the next scheduled evaluation point. Students will receive a written notification of their SAP evaluation within seven (7) school business days following the established evaluation point, and a copy will be maintained in the student's file.

If a student does not meet the minimum requirements for any Attendance, Academics, and Maximum Timeframe requirements at an evaluation point, they will be placed on SAP Warning until the next evaluation point. Students will receive a written notification of their SAP Warning from the Financial Aid office and a copy will be maintained in the student's file. Students on SAP Warning are considered making SAP. If a student on SAP Warning fails to meet the minimum requirements at the next evaluation point they will meet with the School Director to go over their SAP evaluation results. All financial aid will be terminated, unless the student successfully appeals this result.

Appeals

Students may appeal if there are mitigating circumstances (i.e., death in the family, serious injury or illness, or other mitigating circumstances). Students who wish to Appeal the determination that they have not maintained SAP requirements must submit a written appeal to the School Director. The student must include in the appeal why the student failed to make satisfactory progress, what has changed in the student's situation that will allow the student to demonstrate satisfactory progress at the end of the next evaluation point, and how they will overcome obstacles that arise in the future. The student's current evaluation results will be evaluated and it will be determined if it is mathematically possible for the student to achieve SAP requirements by the next evaluation point. The School Director will notify the student of their appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the student's appeal is successful, the student will be placed on SAP Probation for the following evaluation period. A written plan will be developed with the student that will specify periodic goals to outline how the student will be able to achieve SAP by the next Evaluation Point. All appeal documentation will be maintained in the student's Financial Aid file.

Students on SAP Probation are still eligible to receive Title IV Financial Aid; however, the student must be making SAP at the next evaluation point or all Title IV Financial Aid will be terminated and the student will be required to continue on a cash-pay basis in order to complete the program. Students who exceed the program's Maximum Timeframe of 150% will be terminated from the program, and will be required to apply for Re-Enrollment in order to complete the program on a cash-pay basis.

Access to SAP Results

Students are provided access to all SAP Evaluations, SAP Warning/Probation notifications, and Appeal documentation upon request.

Re-Establishing Eligibility

A student whose financial aid has been terminated for unsatisfactory academic progress will not be paid any additional financial aid until they have completed the hours previously paid for with a 75% cumulative GPA and will be able to complete the program within the maximum timeframe.

Leave of Absences

A student who takes a leave of absence shall return with the same satisfactory academic progress status as prior to the leave. An approved Leave of Absence will extend the student's contract period and maximum timeframe by the same number of days in the leave of absence.

Re-Entry Students

Students permitted to re-enroll into school will enter school in the same progress status as when they left. Students re-entering within 180 days of their date of termination will enter into the same program from which they dropped and the evaluation points will remain the same as when they left. Students re-entering after 180 days of their date of termination will have their evaluation points calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Transfer Students

Transfer hours from another institution, which are accepted toward the student's program completion, are counted as both hours attempted and completed for the purpose of determining when the allowable Maximum Timeframe has been exhausted. Evaluation points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Course Repetitions

A student may at some point repeat a specific course during their program hours (i.e., low attendance rate, schedule change, leave of absence, etc.). These course repeats are included in the calculation of the students' Cumulative Grade Point Average (CGPA) and therefore can affect SAP academic requirements.

Course Incompletes, Withdrawals & Official Interruptions (Leaves of Absence)

Official interruptions, course incompletes, and repetitions have no effect upon satisfactory standards.

OTHER SCHOOL POLICIES

Course Length

Each class that begins will have a projected graduation date. Because your training consists of applying your craft while accumulating your hours, the actual graduation date will vary student to student depending on attendance determined by actual hours earned. Students who have transferred from another school, and whose hours have been accepted by the School, will have a projected graduation date based upon the remaining hours needed.

Students not completing their program by the end of their contract term will pay over-contract charges based upon their Enrollment Agreement. If a veteran student exceeds their training time and have incurred over-contract charges, these charges will not be paid by the veteran administration and will be the sole responsibility of the veteran. The veteran administration will only be billed for the approved program length.

Copyright Infringement Policy

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ’s at www.copyright.gov/help/faq.

Family Educational Rights and Privacy Act (FERPA) Policy

To protect the privacy of students and families, federal law sets certain conditions on the disclosure of personal information from records kept by schools that participate in the FSA programs. The relevant law is the Family Educational Rights and Privacy Act of 1974 (FERPA). For a hard copy of Avalon Institute’s FERPA policies, please visit the administrative offices, review the School Catalog, or go to the school’s website at: <http://avalon.edu/about/consumer-disclosure/>.

Avalon Institute's FERPA Policy covers important information with regards to the rights provided to student's records. This policy covers important information, including, but not limited to, the following:

- The right to inspect and review the student's educational records within 45 days of the day the School receives the request for access, and records that are exempt and not included as the student's record;
- The right to request an amendment of the student's educational records that the student believes are inaccurate, misleading, or in violation of the student's privacy;
- The right to deny consent to disclosures of personally identifiable and directory information contained in the student's educational records, except to the extent that FERPA authorizes disclosures without consent, such as the Department of Education and Accrediting Agencies (NACCAS);
- The definition of what Avalon Institute has designated as "Directory Information" that may be released without consent to any inquirer;
- Information regarding how students may request additional Personally Identifiable Information be disclosed to a specific individual (in writing, each time);
- Prevention of disclosure of directory information;
- Access without consent; and
- The right to file a complaint about alleged non-compliance with FERPA.

The policy is designed to ensure students' rights by safeguarding our academic and financial records and ensuring only authorized persons access them. Avalon retains student records for a minimum of 5 years and retains student transcripts indefinitely.

Transcript Requests: All students may obtain a copy of their transcripts by filling out a Transcript Request Form from the Administrative Offices. Once the form is completed and submitted, it will be processed and mailed to the student. The school may charge a reasonable fee when requested to provide official transcripts.

Housing

Avalon Institute does not provide, subsidize, or recommend housing.

Student Grievance Policy

If a student has a complaint or problem while they are at Avalon Institute, it is our sincere desire to help clear up the problem so that the educational process may continue to take place.

If the Student has a complaint with another student or a staff member, it is first recommended that they try to talk with that person and constructively work out the complaint. After this, if the Student is not satisfied, then it is recommended that they go to their instructor to have the instructor help work out the problem.

Then, if the instructor is unable to help resolve the problem, the Student is referred to the Education Director. The Education Director will then try to help resolve the problem. If none of the Student's efforts are successful, they are then referred to the School Director.

An official Student Complaint Form may be completed during any point during the process, but must be submitted within thirty (30) business days of when the incident/topic of the complaint occurred. The school has fourteen (14) business days to respond to any Student Complaint Form that has been submitted and the outcomes shall be documented. Student Complaints Forms are handled by the School Director, or designee. Once a determination for resolution of the complaint has been made by the School, the Student may appeal the determination if additional information or evidence is presented; however, once a final determination has been made the case is considered closed.

All students are also able to submit a complaint online directly with the Division of Private Occupational Schools at higher.ed.colorado.gov/dpos or by calling (303) 862-3001 at any time. There is a two-year statute of limitations from the date a student discontinues their training at the school on filing a complaint with the Division.

Binding Arbitration and Class Action Waiver Agreement

Pursuant to the Federal Arbitration Act (9 U.S.C § 1-16), Student and Avalon agree that either party may elect, without the other's consent, to require that any dispute concerning the Student's account be resolved by binding arbitration. The only exception to arbitration of claims is that both the Student and School have the right to pursue a claim in state court instead of arbitration for claims related to the School's collection of any negative balance or amounts the Student owes Avalon under their Enrollment Agreement. The exception applies if the claim is in that court's jurisdiction and proceeds on an individual basis.

Arbitration replaces the right to go to court, including the right to a jury trial and the right to participate in a class-action or similar proceeding. The arbitration must be filed with the American Arbitration Association and must follow their rules and procedures for initiating and pursuing an arbitration.

If the Student or School initiates arbitration, the Student and School agree to notify the other in writing. The arbitration shall be conducted in the same city as the U.S. District Court in the Student's state that is closest to their home address, unless the parties agree to a different location in writing.

Nothing herein shall be deemed to limit or constrain the School's right to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate jurisdiction, provided, however, that the Student or School may elect to arbitrate any dispute related to such provisional remedies.
