Students must attend at least half time to qualify (minimum 12 clock hours per week). The courses at Avalon qualify for Pell Grant funding. Eligibility is determined by a standard formula. Amounts awarded may vary depending on specific student circumstances. Pell grants are usually the foundation of funding to which other types of funding may be added. Detailed information can be found at www.studentaid.ed.gov.
- **WILLIAM D. FORD DIRECT LOAN PROGRAM:** Students must have determined their eligibility for Pell grant funding and attend at least half time to qualify for the Direct Loan Program. Students may receive both a Subsidized and an Unsubsidized loan for the same training period. Subsidized loans are awarded based on financial need. Subsidized Direct Loans interest does not begin to accrue until the last day of attendance. Unsubsidized Direct Loans begin accruing interest once the loan funds are disbursed. Payments for both Subsidized and Unsubsidized loans will begin six (6) months after the last date of attendance.
- **PLUS LOANS:** These loans are available to the parents of dependent students to assist in paying for their children's education. For information regarding available loan amounts, eligibility requirements and applications on any of these funding options go to www.studentaid.ed.gov.

Permission to leave the school during school hours must be obtained from the student's instructor or staff member. In the event that a student will be tardy or absent, the student must contact the school prior to the beginning of class. Failure to contact the school is considered a No Call No Show (NCNS). Such violation will result in either a verbal or written warning, In-School Suspension (ISS), or Out-of-School Suspension (OSS).

Any absence from school, including prearranged and excused absences, will affect your attendance percentage. All students are required to make up missed assignments on their own time.

Mandatory Training

While the expectation for students is to attend each day of their training the following are considered Mandatory training days.

- **Saturdays:** Programs attending Tuesday through Saturday
- **Mondays and Fridays:** Programs attending Monday through Friday
- Holidays and the scheduled days immediately before and after a holiday.

Students may pre-arrange to be absent for any mandatory training day with at least 24 hours' notice. If a student calls out on a Mandatory day before the start of their schedule, they will receive 1 day of In-School Suspension (ISS). Students must meet with their Instructor and/or Education Director in order to Pre-Arrange In and will only be approved on a case-by-case basis due to instructor availability.

Pre-Arrange Out

A Student Price List of available personal services to the students is available for review at the Front Desk. Students are never permitted to receive Personal Services on when they are Pre-Arranged In or on Mandatory Training Days.

Client Relations and Rules

- Students are required to wash their hands prior to serving each client. All students are expected to maintain a neat and clean presentation of themselves and their work area.
- Students are expected to protect their clients, personal possessions and clothing at all times. Students are required to use clean tools and materials for any procedure for each client.
- Students are required to accept any client. Exceptions will only be permitted by an Instructor or Education Director due to contraindications discovered during consultation. Repeat infractions may result in temporary or permanent suspension of training.
- Every service performed by a student must have a ticket issued by the front desk and be inspected and cleared by an instructor. This includes outside guests, models, and student personal services.
- Unless receiving services, personal visitors are not allowed. This includes friends and relatives.

- Instructors will only perform services for students if they are demonstrating methods or techniques or preparing for a modeling session.

Unless an emergency occurs, students will not be permitted to leave class or interrupt the service of a client to take a phone call. Cellular phones and all other personal electronic devices must be turned off or silenced at the time that a student clocks in for training.
- Students are required to perform monitor duties when assigned. Upon completion, the task will be inspected by an instructor prior to the student leaving at the end of the day.

ATTENDANCE AND ACADEMIC POLICIES

Grading

Grades are determined according to the student's ability to demonstrate satisfactorily that the objectives of the class at hand have been accomplished. Examinations of student progress are performed at regular intervals and at specific levels of achievement. Instructors shall have final say regarding the grade applied

Leave of Absence

Avalon recognizes that some students may have a compelling reason they are unable to attend school and are entitled to take a Leave of Absence (LOA). Avalon grants LOA's for legitimate reasons; however, no student may exceed a cumulative total of 180 LOA days within any twelve-month period. LOA days may be used consecutively or separately depending on the individual circumstances and reason for the LOA(s).

All LOA requests must be made in writing using the LOA Request Form and are subject to school approval. Some legitimate reasons for an LOA are medical (self or immediate family), military duty, and the death of an immediate family member. All requests should have adequate documentation (i.e., doctor's note, military orders, obituary, etc.) attached to the request.

Although there may be some scheduling issues upon a student's return from an LOA, the LOA shall not have a negative impact on the training or Satisfactory Academic Progress (SAP) for the student. Returning students will return with the same status as when they left and are expected to maintain Satisfactory Academic Progress or better, as well as compliance with the Institutional Attendance and Academic Requirements. In addition, students who take an LOA will only be schedule to return on a Course Start Date for scheduling reasons.

A Leave of Absence may affect financial assistance eligibility (if applicable), graduation dates, and the student's class schedule.

The Student will need to meet with a financial aid specialist prior to going on an LOA to discuss the financial consequences of not returning to school from the Leave of Absence.

Student Advisory Assistance

Instructors conduct advisory sessions with students at the end of each 5-week Unit and on an as needed basis to review academic and attendance progress. This is done either verbally or in written form.

Students are provided a copy of their monthly progress report at the end of each Unit. School staff will also make themselves available upon request for other reasons. In the event that issues arise outside of the expertise or capability of the School, every effort will be made to guide and/or refer students to appropriate resources.

Stage/Phase One Attendance Policy

To successfully complete the Stage One / Phase One period of instruction, a student may not exceed the maximum number of absences during the period of training as outlined below and in the Student Catalog.

Cosmetology and Barbering (Stage One): The maximum number of absences permitted within the first 10 weeks is 35 hours.

Esthetics (Phase One): The maximum number of absences permitted within the first 5 weeks of school is 13.5 hours.

Excused absences (doctor visits, prearranged absences, etc.) are still absences counting towards the maximum number of absences. In addition to absences, any missed time including tardies, leaving early, and additional breaks all count towards the maximum absences.

If a student exceeds the maximum absences, they will be dismissed from school. If this occurs the student will have to wait until the next start date that has an open seat available, they must apply and be approved for Re-Entry by the School Director, and will be required to pay the required Drop and Re-Entry Fees.

The student will be required to retake the entire Stage / Phase One class regardless of how many hours they completed during their first attempt, but they will retain the hours previously completed towards the completion of the total program hours upon restarting. Students are not eligible to re-take the Stage / Phase One class more than once.

Institutional Attendance and Academic Policy

To remain enrolled at Avalon School of Cosmetology students are required to remain in good standing for both Academics and Attendance. The minimum institutional requirements are:

Academics

Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the end of each 5-Week period of instruction to remain in good standing. The Total CGPA includes Theory (written exams) and Practical (hands on) skills.

Attendance

Students must achieve a minimum Cumulative Attendance Average of 75% at the end of each 5-Week period of instruction. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

If a student does not make 75% cumulative in either school Attendance or Academics in any given evaluation point, they will be placed on 1st warning for the next 5-Week period of instruction. If the student fails to return to 75% cumulative by the end of their 1st warning, they are placed on 2nd warning. Only two consecutive warning periods are allowed.

The student must achieve a minimum of 75% for both attendance and academics to in order to return to good standing. If in the 2nd warning period, they do not return to good standing by raising their cumulative to 75% or higher the student will be terminated.

Appeals

Students who wish to Appeal the determination that they have not maintained the minimum Academic and Attendance requirements by the end of their warning periods and are scheduled to be terminated, must submit a written appeal to the School Director. The student must include in the appeal why the student failed to maintain good standing and what has changed in the student's situation that will allow the student to reach the minimum academic and attendance requirements. Special consideration may be given for mitigating circumstances (illness, death in the family, etc.). The School Director will notify the student of the appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Institutional Attendance/Academic Warning for one more 5-Week period of instruction. A written plan will be developed with the student that will outline the conditions for the appeal and the minimum periodic goals that must be met for a student to return to good standing. Failure to meet the conditions of the appeal will result in termination without the opportunity to appeal.

Satisfactory Academic Progress Policy

All students enrolled at Avalon are evaluated for Satisfactory Academic Progress at the completion of each evaluation period. In order to maintain eligibility for federal financial aid students must meet minimum Satisfactory Academic Progress (SAP) requirements. The following tables list the evaluation points for each program:

Cosmetology and Barbering Programs – 1500 Hours		
Evaluation Point (Hours Completed)	Day Session	
	Normal Time To Complete	Maximum Timeframe
450	13 Weeks	19 Weeks
900	26 Weeks	39 Weeks
1200	35 Weeks	52 Weeks

Esthetics Program – 600 Hours		
Evaluation Point (Hours Completed)	Day Session	
	Normal Time To Complete	Maximum Timeframe
300	13 Weeks	19 Weeks

Students are considered as having Satisfactory Academic Progress if, at the evaluation point, they have met all of the following criteria:

Attendance

Students must achieve a minimum cumulative attendance average of 67% at the evaluation point. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for calculating Attendance.

Academics

Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the evaluation point. Students are graded on a combination of written exams, assignments, participation, and attendance on the following scale:

Percentage	Grade
90-100%	A
80-89%	B
75-79%	C
0-74%	F

Maximum Timeframe

Students are required to complete the program within the Maximum Timeframe, which is 150% of the normal timeframe. In order to be considered progressing satisfactorily students must complete the hours for the specified Evaluation Point in less than the Maximum Timeframe listed above.

Only students who maintain Satisfactory Progress are eligible to receive Title IV Student Financial Aid (Pell Grants, Stafford Loans, PLUS Loans, etc.). Students who meet the minimum requirements for Attendance, Academics, and Maximum Timeframe shall be considered to be making satisfactory academic progress until the next scheduled evaluation. The results of the Satisfactory Academic Progress evaluation are maintained in the student's file and are available for review upon request.

If a student does not meet the minimum requirements, they will be placed on Satisfactory Academic Progress Warning until the next evaluation point. Students will receive a written notification of their Warning and a copy will be kept in the student's file. Students on Warning are considered making satisfactory academic progress. If the student fails to meet the minimum requirements at the next evaluation point all financial aid will be terminated unless the student successfully appeals this result, which will result in a status of Probation.

Appeals

Students may appeal if there are mitigating circumstances such as a death in the family, serious injury or illness, or other mitigating circumstances. Students who wish to Appeal the determination that they have not maintained Satisfactory Academic Progress must submit a written appeal to the School Director. The student must include in the appeal why the student failed to make satisfactory progress and what has changed in the student's situation that will allow the student to demonstrate satisfactory progress at the end of the next evaluation point. The School Director will notify the student of their appeal in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Satisfactory Academic Progress Probation for the following evaluation period. A written plan will be developed with the student that will outline periodic goals to outline how the student will be able to achieve SAP by the next Evaluation Point. Students on Satisfactory Academic Progress Probation are still eligible to receive Title IV Student Financial Aid. However, the student must be making satisfactory academic progress at the next Evaluation Point or all Title IV Student Financial Aid will be terminated. All appeal documentation will be maintained in the student's Financial Aid file.

Re-Establishing Eligibility

The student whose financial aid has been terminated for unsatisfactory academic progress will not be paid any additional financial aid until they have completed the hours previously paid for with a 75% cumulative GPA and will be able to complete the program within the maximum timeframe.

Leave of Absences

A student who takes a leave of absence shall return with the same satisfactory academic progress status as prior to the leave. An approved Leave of Absence will extend the student's contract period and maximum timeframe by the same number of days in the leave of absence.

Re-Entry Students

Students permitted to re-enter school will enter school in the same progress status as when they left. Evaluation Points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Transfer Students

Transfer hours from another institution, which are accepted toward the student's program completion, are counted as both hours attempted and completed for the purpose of determining when the allowable Maximum Timeframe has been exhausted. Evaluation Points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Official Interruptions, Course Incompletes, and Repetitions

Official interruptions, course incompletes, and repetitions have no effect upon satisfactory standards.

STUDENT ACCOUNTS AND FINANCIAL AID POLICIES

Cancellation Policy

If the Student, or Guarantor if student is a minor, cancels this agreement and requests a refund in writing within three (3) days of executing this agreement, the Student will be entitled to a 100% refund on all monies paid. If the Student, or Guarantor if student is a minor, cancels this agreement after three (3) days of executing this agreement but prior to beginning training the Student will be entitled to a 100% refund on all monies paid except for the \$50.00 Application Fee.

Collections Policy

If the student fails to make the required payments to the school upon termination of the program, Avalon may use third party representation to collect funds owed to the school. This collection process will adhere to the following guidelines:

- Collection procedures will reflect good taste and sound, ethical business practices.
- Collection correspondence regarding cancellation and settlement from the institution itself, banks, collection agencies, lawyers, or any other third parties representing the institution clearly acknowledges the existence of the withdrawal and settlement policy.
- If the promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of the institution.

Refund Policy

Any sums paid to Avalon shall be subject to the following refund policy:

A student terminating training...	Is Entitled To a Refund of:
Within first 10% of Program	90% less termination charge
After 10% but within first 25% of Program	75% less termination charge
After 25% but within first 50% of Program	50% less termination charge
After 50% but within first 75% of Program	25% less termination charge
After 75% (if paid in full, termination charge is not applicable)	No Refund

Refunds will be made within 30 days after the school has determined that the student has withdrawn from class, whether officially or unofficially. Enrollment time is defined as the time elapsed between the actual starting date and the student's last day of physical attendance in the school. The granting of credit for previous training shall not impact this refund policy. Cancellation or termination date is determined by the postmark on written notification or the date notice of cancellation is delivered to the school administration in person. Charges for Books, Tools, and Supplies are non-refundable after being issued to a student. The school will assess a termination fee of \$100.00.

If a school is permanently closed and no longer offers instruction after the student has enrolled the student is entitled to a refund on a pro-rata basis for any student transferring to another school based on the hours accepted

by the receiving school or a full refund of all moneys paid. If a course is cancelled subsequent to a student's enrollment, and before instruction in the program or course has begun, the school shall at its option provide completion of the course or provide a full refund of all monies paid.

Return of Title IV Funds Policy

The law specifies that a school must determine the amount of SFA program assistance available to you in the event that you withdraw. As of October 7, 2000, the law requires that when you withdraw during a payment period or period of enrollment, the amount of SFA program assistance that you have earned up to that point is determined by a specific formula set forth by the Department of Education.

The School defines a Payment Period as the period of time attended. If the school received funding on your behalf less assistance than the amount that you have earned, the school will be entitled to receive on your behalf further assistance in the amount you have earned. If the school has received more assistance than you have earned, the excess funds must be returned. This process must be completed within 45 days of determining your last date of attendance and refunds will be made according to Federal Guidelines.

The amount of assistance that you have earned is determined on a pro-rata basis of scheduled hours. That is, if you were scheduled to complete 30% of the payment period, you have earned 30% of the assistance you were originally scheduled to receive. Once you have been scheduled to complete more than 60% of the payment period, you are entitled to all of your assistance. In the event that the school has received excess funds on your behalf, those funds are required to be returned to the Department of Education.

If a student receives an overpayment of a student loan, that overpayment must be returned. Any loan funds that you must return are added to your master promissory note and are repaid in accordance with the terms of that promissory note. That is, you make scheduled payments to the Department of Education over a period of time.

In the event that a student receives an over-award of a Pell Grant, federal law provides that you may keep 50% of the over-award received. The student bears all responsibility to return funds in excess of the 50% over-award. Instructions and assistance in returning the over-awarded funds are available from School administration. All over-awards are reported by the school to the Department of Education.

Failure to return any funds due will result in your losing eligibility for any future Title IV Student Financial Aid.

Termination of Enrollment

The School may terminate the student's enrollment when:

- The student notifies the school of their withdrawal from school. If Student is of minor age notice of termination must be made by Guarantor.
- If the student fails to notify the school of withdrawal, the school may terminate after 14 calendar days of non-attendance
- The student fails to return from a Leave of Absence (LOA) on the scheduled date of return. The date of withdrawal shall be the earlier of the scheduled date of return or the date the student notifies the school that they will not be returning from the LOA
- The student fails an academic or attendance probation
- The student violates the school rules and regulations

OTHER SCHOOL POLICIES

Course Length

Each class that begins will have a projected graduation date. Because your training consists of applying your craft while accumulating your hours, the actual graduation date will vary student to student depending on attendance determined by actual hours earned. Students who have transferred from another school, and whose hours have been accepted by the School, will have a projected graduation date based upon the remaining hours needed.

Students not completing their program by the end of their contract term will pay over-contract charges based upon their Enrollment Agreement. If a veteran student exceeds their training time and have incurred over-contract charges, these charges will not be paid by the veteran administration and will be the sole responsibility of the veteran. The veteran administration will only be billed for the approved program length.

Student Grievance Policy

If a student has a complaint or problem while they are at Avalon School of Cosmetology, it is our sincere desire to help clear up the problem so that the educational process may continue to take place.

If the Student has a complaint with another student or a staff member, it is first recommended that they try to talk with that person and constructively work out the complaint. After this, if the Student is not satisfied, then it is recommended that they go to their instructor to have the instructor help work out the problem.

Then, if the instructor is unable to help resolve the problem, the Student is referred to the supervisor. The supervisor will then try to help resolve the problem. If none of the Student's efforts are successful, they are then referred to the School Director.

All students are also able to submit a complaint online directly with the Division of Private Occupational Schools at higher.ed.colorado.gov/dpos or by calling (303) 862-3001 at any time. There is a two-year statute of limitations from the date a student discontinues their training at the school on filing a complaint with the Division.
