STUDENT FINANCIAL ASSISTANCE

General Information

Avalon Institute is an eligible institution approved by the Department of Education for participation in the following State and Federal funding programs. These funding sources are generally referred to as "Title IV" Funding. Upon the determination of eligibility, the School will assist any applicant to apply for the Title IV educational funding. Qualifications are based on individual needs and criteria determined by the federal government and or respective funding organization. The School does not determine funding acceptance.

Financial assistance availability to any student does not in any way guarantee admission to Avalon Institute, quality of instruction, or employment placement.

If a student obtains a loan to pay for an educational program, the student shall have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds. Financial assistance payments are disbursed according to the Department of Education guidelines. Once established for eligibility for any or all financial assistance programs, students are required to maintain Satisfactory Academic Progress.

We will be happy to assist you with the application process at either facility or, if you prefer, you may begin by contacting www.fafsa.ed.gov. This application will request a school code. Our code is **030274**.

Student Financial Aid Programs

- **PELL GRANT:** A Federal Pell Grant, unlike a loan does not have to be repaid. Pell grants are generally only available for undergraduates. Students must attend at least half time to qualify (minimum 12 clock hours per week). The courses at Avalon qualify for Pell Grant funding. Eligibility is determined by a standard formula. Amounts awarded may vary depending on specific student circumstances. Pell grants are usually the foundation of funding to which other types of funding may be added. Detailed information can be found at www.studentaid.ed.gov.
- **WILLIAM D. FORD DIRECT LOAN PROGRAM:** Students must have determined their eligibility for Pell grant funding and attend at least half time to qualify for the Direct Loan Program. Students may receive both a Subsidized and an Unsubsidized loan for the same training period. Subsidized loans are awarded based on financial need. Subsidized Direct Loans interest does not begin to accrue until the last day of attendance. Unsubsidized Direct Loans begin accruing interest once the loan funds are disbursed. Payments for both Subsidized and Unsubsidized loans will begin six (6) months after the last date of attendance.
- **PLUS LOANS:** These loans are available to the parents of dependent students to assist in paying for their children's education. For information regarding available loan amounts, eligibility requirements and applications on any of these funding options go to www.studentaid.ed.gov.

Payment Methods

Avalon Institute requires its students to pay for their education within 12 months from the date of enrollment, completion of the program or exiting the program, whichever is shorter. The payment period is interest free. Although financial aid may be available, the student is responsible for all balances due the school. Available payment methods are Title IV Financial Aid, cash, debit, credit card, money order, check, or automated Electronic Funds Transfer and shall be made at the office of the School.

Any required down payment shall be due by the Friday prior to the Student's scheduled Start Date. Payment schedules will be set for the 15th of each month following the Student's scheduled Start Date. If any amount is due to the School upon graduation, completion or cessation of training by the Student, or termination of enrollment, Student agrees to pay such unpaid amount in full within thirty (30) days. If unpaid balances are not paid within thirty (30) days the outstanding balance will incur interest at a rate of 1.5% per month (18% per annum) until paid in full.

Avalon Institute accepts scholarships awarded to students through outside entities as payment towards the student's program costs. Avalon Institute may sometimes offer scholarships to potential students. Anytime a scholarship is available, rules for how to apply, amounts awarded, and the entire scholarship process will be issued. Eligible students are encouraged to apply.

Veteran's Educational Benefits

Avalon Institute is proud to serve our military veterans and their dependents as they pursue their educational goals. We are approved by the state approving agency to accept educational benefits. To secure benefits, Veterans can obtain a Certificate of Eligibility (COE) from the Department of Veteran's Affairs to determine availability of these benefits.

If there is a delay in the disbursement of funds from the Department of Veteran's Affairs for a covered individual, Avalon Institute will not impose a penalty on the student; including the assessment of late fees, the denial of access to classes/libraries/facilities, or requiring the covered individual to borrow additional funds.

Prior Credit: Any students using Veterans educational benefits, the Veterans administration requires you to submit to the school any prior college training, including military, you have had in the form of a transcript (can be unofficial transcripts) for possible credit. The transcripts will be evaluated and granted appropriate credit towards the current enrollment. For additional information go to www.gibill.va.gov.

Distance Education: All students utilizing any type of Veterans benefits are required to attend any on-line portions of their training listed in the catalog in person at the campus. All veterans and eligible family members are required to attend resident training at the physical location of the school.

All refunds are calculated on hours the Student was scheduled to complete as of the official date of termination or withdrawal. Cancellation or termination date is determined by the postmark on written notification or the date notice of cancellation is delivered to the school administration in person. Charges for Books, Tools, and Supplies are non-refundable after being issued to the Student.

enrollment, and before instruction in the program or course has begun, the school shall at its option provide completion of the course or provide a full refund of all monies paid.

Return of Title IV Funds Policy

The law specifies that a school must determine the amount of SFA Title IV funds available to you in the event that you withdraw. As of October 7, 2000, the law requires that when you withdraw during a payment period or period of enrollment, the amount of SFA Title IV funds that you have earned up to that point is determined by a specific formula set forth by the Department of Education, this is called a Return of Title IV Funds calculation (R2T4). This policy applies to official withdrawals, their withdrawal date being determined by the date the student notified school or school notified student of official withdrawal from school in person, on the phone or via email or postal mail. Unofficial withdrawals, their withdrawal date being determined by their last date of attendance, determined after 14 days of no contact with student.

The School defines a Payment Period as the midpoint of the schedule hours and instructional weeks in our defined program Academic Year. If the School received less funding on your behalf than the amount that you have earned, the school will be entitled to receive the additional funding in the amount you have earned this is a post-withdrawal disbursement. If a student qualifies for a post-withdrawal disbursement grant funds will be posted to the students account within 45 days of the last date of attendance (LDA) for federal loans the student will be notified of a post-withdrawal disbursement within 30 days of the withdrawal and given the opportunity to respond no less than 14 days after notification as determined by the Department of Education. Post-withdrawal disbursements will be applied to the students account first, if the post-withdrawal disbursement creates a credit balance on the students account the credit balance will be disbursed to the student within 14 days. If the school has received more funding than you have earned, the excess funds must be returned. This process must be completed within 45 days of determining your last date of attendance and refunds will be made according to Federal guidelines.

The amount of SFA Title IV funds that you have earned is determined on a pro-rata basis of scheduled hours. That is, if you were scheduled to complete 30% of the payment period, you have earned 30% of the funds you were originally scheduled to receive. Once you have been scheduled to complete more than 60% of the payment period, you are entitled to all of your funds. In the event that the school has received excess funds on your behalf, those funds are required to be returned to the Department of Education in the following order:

Unsubsidized Direct Loans

Subsidized Direct Loans

Direct Plus Loans

Federal Pell Grants

Iraq and Afghanistan Service Grants

If a student receives an overpayment of a student loan, that overpayment must be returned. Any loan funds that must be returned are repaid in accordance with the terms of that promissory note. That is, you make scheduled payments to the Department of Education over a period of time.

In the event that a student receives an over-award of a Pell Grant, federal law provides that you may keep 50% of the over-award received. The student bears all responsibility to return funds in excess of the 50% over-award. Instructions and assistance in returning the over-awarded funds are available from School administration. All over-awards are reported by the school to the Department of Education.

Failure to return any funds due will result in your losing eligibility for any future Title IV Student Financial Aid.

Termination of Enrollment

The School may terminate the student's enrollment when:

- The student notifies the school of their withdrawal from school. If Student is of minor age notice of termination must be made by Guarantor.
- If the student fails to notify the school of withdrawal, the school may terminate the student after fourteen (14) consecutive calendar days of non-attendance. The school monitors student clock hour attendance at least every seven (7) days.
- The student fails to return from a Leave of Absence (LOA) on the scheduled date of return. The date of withdrawal shall be the earlier of the scheduled date of return or the date the student notifies the school that they will not be returning from the LOA
- The student fails an academic or attendance probation
- The student violates the school rules and regulations

Collections Policy

If the student fails to make the required payments to the school upon termination of the program, Avalon may use third party representation to collect funds owed to the school. This collection process will adhere to the following guidelines:

- Collection procedures will reflect good taste and sound, ethical business practices.
- Collection correspondence regarding cancellation and settlement from the institution itself, banks, collection agencies, lawyers, or any other third parties representing the institution clearly acknowledges the existence of the withdrawal and settlement policy.
- The name of the National Accrediting Commission of Career Arts & Sciences is not used in any collection efforts.
- If the promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of the institution.

Students, who violate these rules, interfere with the training of others, are boisterous, obscene, or otherwise disrupt school operations are subject to termination of training. The purpose of these rules and regulations is to have a coordinated establishment such that students have the very best atmosphere in which to study and practice their craft. Students must clock in upon entering the school and clock out when leaving the school each day in order to receive credit for hours accumulated. Students are not permitted to clock in if they are more than 15 minutes late for their scheduled start time.

Students scheduled for at least six hours of training on any given day are provided with a 30-minute lunch period and must clock out for their lunch break each day. Other breaks taken at the school are limited to a maximum of 15 minutes unless otherwise specified by a faculty or staff member. When leaving the facility for a break, students must inform their instructor and the front desk, and clock out.

Students are responsible for their own time cards and for personally clocking in and out. Under NO circumstances will a student be permitted to "clock" or "swipe" another student's time card. Students violating this rule shall be suspended. If a student loses their time card or forgets it at home, their instructor and the Front Desk will give them the opportunity to go home to retrieve their card, or the student must purchase a temporary card for \$5.00 in order to clock in and attend the day. The student must return the temporary card before their old card will be reactivated or in order to receive their new card when it is received.

Attendance

Permission to leave the school during school hours must be obtained from the student's instructor or staff member. In the event that a student will be tardy or absent, the student must contact the school prior to the beginning of class. Failure to contact the school is considered a No Call No Show (NCNS). Such violation will result in either a verbal or written warning, In-School Suspension (ISS), or Out-of-School Suspension (OSS).

Any absence from school, including prearranged and excused absences, will affect your attendance percentage. All students are required to make up missed assignments on their own time.

Mandatory Training

While the expectation for students is to attend each day of their training, the following are considered Mandatory training days while in Stage 2 or Phase 2.

- **Saturdays:** Programs attending Tuesday through Saturday
- **Fridays:** Programs attending Monday through Friday
- **Holidays:** the scheduled days immediately before and after a school administered holiday.

Students may pre-arrange to be absent for any mandatory training day with at least 24 hours' notice. If a student calls out on a Mandatory day before the start of their schedule, they will receive 1 day of In-School Suspension (ISS). Students who fail to call out prior to the start of their schedule will be considered a No Call No Show (NCNS) and receive 2 days of ISS.

Pre-Arrange In / Make-up Hours

Avalon may provide limited availability for students to arrange to attend additional hours outside their regularly scheduled hours. The school may offer students to attend a 4:00pm-5:00pm shift on select days to make up hours that have been missed.

General Eligibility: To be eligible to Pre-Arrange In students must:

- Not have missed more than 2.5 hours of their scheduled hours for the prior week
- Have attended or called out with at least 24 hours' notice for any pre-arranged dates for the prior week
- Pre-Arrange In through the Front Desk no later than the Saturday for the next week

Stage One & Phase One Students: Make-up Hour availability is limited during a student's initial period of instruction. Cosmetology and Barbering Stage One and Esthetician Phase One students must meet with their instructor and/or Education Director in order to Prearrange In to make up hours absent, and will only be approved on a case-by-case basis which is also subject to instructor availability.

Cosmetology & Barbering: Once students have completed their Stage One period of instruction they may be eligible to Pre-Arrange In for additional training as follows:

- Students with Less than 1,000 Hours may Pre-Arrange In up to two days per week.
- Students with More than 1,000 Hours may Pre-Arrange In up to three days per week.
- Any time a student pre-arranges in for the opposite shift it must be on a scheduled classroom day to ensure not more than 7 hours of working on clients are performed in any given day. Students cannot attend a theory or practical class on the opposite shift due to differences in curriculum offered between the sessions and student-to-instructor ratios.

Esthetics: Due to the short duration of the Esthetician program and the need to cover all material, Esthetician students are only allowed to Prearrange In up to a maximum of 100% of their Scheduled Hours in order to makeup hours they have been previously absent from school. Students must meet with their Instructor and/or Education Director in order to Pre-Arrange In and will only be approved on a case-by-case basis due to instructor availability.

Pre-Arrange Out

Students are permitted to Pre-Arrange Out when they know they will be absent on a day in the future. Any absence will count towards the student's attendance percentage regardless of the reason, but by pre-arranging the absence, it allows for smooth client scheduling.

Any student on Institutional Attendance Warning will be required to meet with the Education or School Director in order to be approved to Prearrange Out.

Class Participation & Assignments

Students must be occupied during entire school hours, in either practice or study of theory, as per curriculum. Students are required to accept all assignments given to them. Refusal to accept an assignment may result in being sent home for the day.

Practical and Final Examinations

Practical Level Testing, 900 and 1,300 Hours for Cosmetology and Barbering and 450 Hours for Esthetician, is always scheduled on Mondays between the hours of 9:00a and 4:00p.

In the event that a student fails any portion of their practical test, they will be required to retake it until a passing grade is obtained. If a student fails to attend their scheduled test, they will lose 10% of their grade and be suspended in school (ISS) for 4 days in which they will focus on State Board Procedures.

Students are required to complete all assignments, both written and practical, prior to being permitted to take their Final Written Examination.

Sanitation Maintenance

Each student is fully responsible for the cleanliness of their own styling station and work area. Students found with deficient equipment or unsanitary conditions are subject to dismissal from school. Work areas are subject to random inspection.

Equipment Responsibility

Upon beginning training, students are provided with all approved equipment and textbooks for their specific training course. Students are expected to arrive at each class prepared to study with the appropriate equipment. Borrowing equipment from other students is not recommended. The school is not responsible for property belonging to students. The school highly recommends permanent identification of all equipment.

Student Break Room

Students are provided with a student break area as well as sufficient lunch and periodic breaks. Eating, drinking, smoking, or any other physical distractions are never permitted in class, on the student salon floor, within any styling stations or work areas.

Parking

Students are not allowed to park against the building or in the parking spaces nearest the building. Use parking further from the building to accommodate student salon clients. If available, student may also park in the back of the building and use the rear entrance.

Student Personal Services

Students may receive personal services on the Student Salon with the permission of an instructor. All Client Procedures must be followed when performing or receiving Personal Services including the issuance of a ticket by the Front Desk prior the start of any service.

Public clients will always be given first priority for service operations. Personal services for students will not be allowed to interfere with class schedules, required assignments, or assigned public client services.

Personal services are intended to increase knowledge of the services from the client's point of view; therefore, personal services are only to be administered during the student's regularly scheduled school hours and for services directly related to their program of study.

A Student Price List of available personal services to the students is available for review at the Front Desk. A student that wishes to come in for service outside of their regularly scheduled hours, or receive services not listed on the Student Price List, will receive a 50% discount off regular salon prices.

Students are never permitted to receive Personal Services on when they are "Pre-Arranged In" or on Mandatory Training Days.

Any student receiving or providing Personal Services without permission and a ticket issued by the Front Desk will be sent home for the day. Please remember that Students polishing their own nails or styling their own hair are considered receiving Personal Services and must comply with this rule.

Weapons

Avalon is a weapon-free environment. Firearms, pocket knives, tasers, explosives and any other implement or object deemed to be a danger to another person is strictly prohibited. Anyone discovered to be carrying a weapon, regardless if the owner of the weapon has a permit to carry or not, may be terminated from the program.

Distance Education

Distance Education is a component of training at Avalon Institute. All students must understand that the state in which the school operates will accept academic achievement earned via Distance Education; however, it may not be accepted for reciprocity or eligible for licensure in other states, depending on the laws and regulations enacted by other states. Although many states already have provisions to accept this type of alternative training, Avalon Institute cannot confirm acceptance of these types of hours by any other states.

Participation in the Distance Education platform is synchronous (same school schedule, led by the instructor) and will require consistent internet connectivity and the ability to attend regularly scheduled class hours in the manner in which Avalon Institute dictates the curriculum. All students must use an electronic device that supports the applications needed to be used, as well as, will meet the necessary system requirements to operate such applications.

Computer/Connectivity Requirements: PC, Tablet, Laptop or MAC with 4GB Ram, 32GB HD, minimum of 11" display with 1024x800 resolution, web camera, speakers & microphone or headset. Must maintain stable internet connectivity of at least 1MB during all distance education sessions.

Browser/Software Requirements: Standard-compliant browsers such as Chrome, Firefox, Safari or Edge (Internet Explorer is not supported. Zoom Browser Plug-in or Zoom Application (free download from Zoom.us)

As part of the student kit, the student will receive a device that meets these system requirements. Cameras are required to be used while in the virtual classroom environment, and the virtual classroom will be recorded for

quality assurance purposes. All of the school's Standards of Conduct still apply while working in the Distance Education platform.

Clock hours will be recorded manually by the instructor in an online "virtual classroom" environment by taking roll at the beginning of each day, at break time, and at the end of the day, and then activity will be verified within the designated distance learning platform to confirm hours awarded each day. Failure to comply with the requirements to achieve attendance and post activities within the distance learning platform, per the rules put in place by Avalon Institute, could still result in disciplinary action or temporary/permanent suspension of training as outlined in the school's written Attendance and Academic Policies.

Client Relations and Rules

- Students are required to wash their hands prior to serving each client. All students are expected to maintain a neat and clean presentation of themselves and their work area.
- Students are expected to protect their client's personal possessions and clothing at all times. Students are required to use clean tools and materials for any procedure for each client.
- Students are required to accept any client. Exceptions will only be permitted by an Instructor or Education Director due to contraindications discovered during consultation. In the event that a student violates this requirement without permission or creates a negative scene on the student salon floor, the student will immediately be dismissed for the day. Repeat infractions may result in temporary or permanent suspension of training.
- Every service performed by a student must have a ticket issued by the front desk and be inspected and cleared by an instructor. This includes outside guests, models, and student personal services.
- Unless receiving services, personal visitors are not allowed. This includes friends and relatives.
- Instructors will only perform services for students if they are demonstrating methods or techniques or preparing for a modeling session.
- Students may perform services for friends or family, provided they pay the regular student salon rates.
- Personal and/or business phone calls, either incoming or outgoing, are not allowed at the reception desk. Unless an emergency occurs, students will not be permitted to leave class or interrupt the service of a client to take a phone call. Cellular phones and all other personal electronic devices must be turned off or silenced at the time that a student clocks in for training.
- Students are required to perform monitor duties when assigned. Upon completion, the task will be inspected by an instructor prior to the student leaving at the end of the day.

ATTENDANCE AND ACADEMIC POLICIES

Grading

Grades are determined according to the student's ability to demonstrate satisfactorily that the objectives of the class at hand have been accomplished. Examinations of student progress are performed at regular intervals and at specific levels of achievement. Instructors shall have final say regarding the grade applied

Leave of Absence

Avalon recognizes that some students may have a compelling reason they are unable to attend school and are entitled to take a Leave of Absence (LOA). Avalon grants LOA's for legitimate reasons; however, no student may exceed a cumulative total of 180 LOA days within any twelve-month period. LOA days may be used consecutively or separately depending on the individual circumstances and reason for the LOA(s). Due to the Phase 1/Stage 1 Attendance Policy, students in their initial period of training are not eligible for a LOA (i.e., Esthetics first 5-weeks, Cosmetology Days first 10-weeks, and Cosmetology Evenings first 15-weeks).

All LOA requests must be made in writing using the LOA Request Form, which includes the student's reason for LOA and their signature, unless unforeseen circumstances prevent the student from doing so and are subject to school approval. Some legitimate reasons for a LOA are medical (self or immediate family), military duty, and the death of an immediate family member. All requests should have adequate documentation (i.e., doctor's note, military orders, obituary, etc.) attached to the request.

If unforeseen circumstances prevent the student from requesting the LOA prior to the scheduled start date of the LOA, the institution will document the reason for its decision to approve the LOA Start Date and will collect the request form with the student's signature upon their return to school. If the LOA Request is denied by the School Director, the student will be terminated as per normal attendance policies if they stop attending.

Although there may be some scheduling issues upon a student's return from a LOA, the LOA shall not have a negative impact on the training or Satisfactory Academic Progress (SAP) for the student. Returning students will return with the same status as when they left and are expected to maintain SAP or better, as well as, compliance with the Institutional Attendance and Academic requirements. In addition, students who take a LOA will only be scheduled to return on a Course Start Date for scheduling reasons.

A LOA may affect financial assistance eligibility (if applicable), graduation dates, and the student's class schedule. Students are not assessed any additional institutional charges as a result of taking a LOA. A student granted a LOA is not considered to have withdrawn and no refund calculation is performed as a result of a LOA. The Student will need to meet with a financial aid specialist prior to going on a LOA to discuss the financial consequences of not returning to school from the Leave of Absence.

If the student fails to return from a LOA on the scheduled date of return they will be terminated according to attendance policies. The date of withdrawal shall be the earlier of the scheduled date of return or the date the student notifies the school that they will not be returning from the LOA. For purposes of calculating a refund, the student's last date of attendance will be used as the withdrawal date. The student's Contract End Date will be extended by the same amount of time that the student is out on LOA and the student's new Contract End Date will be noted on their signed LOA Request Form which will act as an Addendum to their Enrollment Agreement, both of which are signed by all parties.

Student Advisory Assistance

Instructors conduct advisory sessions with students at the end of each 5-week Unit and on an as needed basis to review academic and attendance progress. This is done either verbally or in written form.

Students are provided a copy of their monthly progress report at the end of each Unit. School staff will also make themselves available upon request for other reasons. In the event that issues arise outside of the expertise or capability of the School, every effort will be made to guide and/or refer students to appropriate resources.

Stage/Phase One Attendance Policy

To successfully complete the Stage One / Phase One period of instruction, a student may not exceed the maximum number of absences during the period of training as follows:

Cosmetology & Barbering: The maximum number of absences permitted within the first 10 weeks for Day students and the first 15 weeks for Evening students is 35 hours.

Esthetics: The maximum number of absences permitted within the first 5 weeks for Day and Evening students is 17 hours.

Excused absences (doctor visits, prearranged absences, etc.) are still absences counting towards the maximum number of absences. In addition to absences, any missed time including tardies, leaving early, and additional breaks all count towards the maximum absences.

If a student exceeds the maximum absences, they will be dismissed from school. If this occurs the student will have to wait until the next start date that has an open seat available, they must apply and be approved for Re-Entry by the School Director, and will be required to pay the required Drop and Re-Entry Fees.

The student will be required to retake the entire Stage / Phase One class regardless of how many hours they completed during their first attempt, but they will retain the hours previously completed towards the completion of the total program hours upon restarting. Students are not eligible to re-take the Stage / Phase One class more than once.

Institutional Attendance and Academic Policy

To remain enrolled at Avalon Institute students are required to remain in good standing for both Academics and Attendance. The minimum institutional requirements are:

Academics

Students must achieve a minimum Total Cumulative Grade Point Average (CGPA) of 75% at the end of each 5-Week period of instruction to remain in good standing. The Total CGPA includes Theory (written exams) and Practical (hands on) skills.

Attendance

Students must achieve a minimum Cumulative Attendance Average of 75% at the end of each 5-Week period of instruction. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

If a student does not make 75% cumulative in either school Attendance or Academics in any given evaluation point, they will be placed on 1st warning for the next 5-Week period of instruction. If the student fails to return to 75% cumulative by the end of their 1st warning, they are placed on 2nd warning. Only two consecutive warning periods are allowed.

The student must achieve a minimum of 75% for both attendance and academics to in order to return to good standing. If in the 2nd warning period, they do not return to good standing by raising their cumulative to 75% or higher the student will be terminated.

Appeals

Students who wish to Appeal the determination that they have not maintained the minimum Academic and Attendance requirements by the end of their warning periods and are scheduled to be terminated, must submit a written appeal to the School Director. The student must include in the appeal why the student failed to maintain good standing and what has changed in the student's situation that will allow the student to reach the minimum academic and attendance requirements. Special consideration may be given for mitigating circumstances (illness, death in the family, etc.). The School Director will notify the student of the appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the appeal is successful, the student will be placed on Institutional Attendance/Academic Warning for one more 5-Week period of instruction. A written plan will be developed with the student that will outline the conditions for the appeal and the minimum periodic goals that must be met for a student to return to good standing. Failure to meet the conditions of the appeal will result in termination without the opportunity to appeal.

Satisfactory Academic Progress Policy

All students enrolled in a NACCAS-approved program at Avalon are evaluated for Satisfactory Academic Progress (SAP) at the completion of each evaluation point, regardless of enrollment category (full-time/part-time). In order to maintain eligibility for federal financial aid students must meet minimum SAP requirements. The following tables list the evaluation points for each program based on an Academic Year:

Cosmetology Program – 1,500 Hours				
SAP Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 450	13 Weeks	19 Weeks	20 Weeks	30 Weeks
AY1 - 900	26 Weeks	39 Weeks	40 Weeks	60 Weeks
AY2 - 1200	34 Weeks	51 Weeks	53 Weeks	80 Weeks

Barbering Program – 1,500 Hours				
SAP Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 450	13 Weeks	19 Weeks	20 Weeks	30 Weeks
AY1 - 900	26 Weeks	39 Weeks	40 Weeks	60 Weeks
AY2 - 1200	34 Weeks	51 Weeks	53 Weeks	80 Weeks

Esthetics Program – 600 Hours				
SAP Evaluation Point (Actual Hours)	Day Session (Full-time)		Evening Session (Part-time)	
	Normal Timeframe (100%)	Maximum Timeframe (150%)	Normal Timeframe (100%)	Maximum Timeframe (150%)
AY1 - 300	10 Weeks	16 Weeks	13 Weeks	20 Weeks

Students are considered as making SAP if, at the evaluation point, they have met all of the following criteria:

Attendance

Students must achieve a minimum cumulative attendance average of 67% at the evaluation point. Attendance is calculated as Completed Hours divided by Scheduled Hours. Excused absences (doctor visits, prearranged absences, etc.) are still missed hours for the purpose of calculating Attendance.

Academics

Students must achieve a minimum Total Program Numeric Average of 75% at the evaluation point. The Total Program Numeric Average includes Theory (written exams) and Practical (hands on) skills. Students work will be graded based upon the following criteria and grading scale:

Percentage	Grade
90-100%	A
80-89%	B
75-79%	C
0-74%	F

Maximum Timeframe

Students are required to complete the program within the Maximum Timeframe, which is 150% of the normal timeframe to complete the program. In order to be considered progressing satisfactorily, students must complete the hours for the specified evaluation points in less than the Maximum Timeframe(s) listed in the charts above.

Only students who maintain SAP are eligible to receive Title IV Student Financial Aid (Pell Grants, Stafford Loans, PLUS Loans, etc.). Students who meet the minimum Attendance, Academics, and Maximum Timeframe requirements shall be considered to be making SAP until the next scheduled evaluation point. Students will receive a written notification of their SAP evaluation within seven (7) school business days following the established evaluation point, and a copy will be maintained in the student's file.

If a student does not meet the minimum requirements for any Attendance, Academics, and Maximum Timeframe requirements at an evaluation point, they will be placed on SAP Warning until the next evaluation point. Students will receive a written notification of their SAP Warning from the Financial Aid office and a copy will be maintained in the student's file. Students on SAP Warning are considered making SAP. If a student on SAP Warning fails to meet the minimum requirements at the next evaluation point they will meet with the School Director to go over their SAP evaluation results. All financial aid will be terminated, unless the student successfully appeals this result.

Appeals

Students may appeal if there are mitigating circumstances (i.e., death in the family, serious injury or illness, or other mitigating circumstances). Students who wish to Appeal the determination that they have not maintained SAP requirements must submit a written appeal to the School Director. The student must include in the appeal why the student failed to make satisfactory progress, what has changed in the student's situation that will allow the student to demonstrate satisfactory progress at the end of the next evaluation point, and how they will overcome obstacles that arise in the future. The student's current evaluation results will be evaluated and it will be determined if it is mathematically possible for the student to achieve SAP requirements by the next evaluation point. The School Director will notify the student of their appeal decision in writing and a copy will be maintained in the student file. The decision of the School Director is final.

If the student's appeal is successful, the student will be placed on SAP Probation for the following evaluation period. A written plan will be developed with the student that will specify periodic goals to outline how the student will be able to achieve SAP by the next Evaluation Point. All appeal documentation will be maintained in the student's Financial Aid file.

Students on SAP Probation are still eligible to receive Title IV Financial Aid; however, the student must be making SAP at the next evaluation point or all Title IV Financial Aid will be terminated and the student will be required to continue on a cash-pay basis in order to complete the program. Students who exceed the program's Maximum Timeframe of 150% will be terminated from the program, and will be required to apply for Re-Enrollment in order to complete the program on a cash-pay basis.

Access to SAP Results

Students are provided access to all SAP Evaluations, SAP Warning/Probation notifications, and Appeal documentation upon request.

Re-Establishing Eligibility

A student whose financial aid has been terminated for unsatisfactory academic progress will not be paid any additional financial aid until they have completed the hours previously paid for with a 75% Program Numeric Average and will be able to complete the program within the maximum timeframe.

Leave of Absences

A student who takes a leave of absence shall return with the same satisfactory academic progress status as prior to the leave. An approved Leave of Absence will extend the student's contract period and maximum timeframe by the same number of days in the leave of absence.

Re-Entry Students

Students permitted to re-enroll into school will enter school in the same progress status as when they left. Students re-entering within 180 days of their date of termination will enter into the same program from which they dropped and the evaluation points will remain the same as when they left. Students re-entering after 180 days of their date of termination will have their evaluation points calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Transfer Students

Transfer hours from another institution, which are accepted toward the student's program completion, are counted as both hours attempted and completed for the purpose of determining when the allowable Maximum Timeframe has been exhausted. Evaluation points will be calculated based upon the number of hours remaining with the first evaluation occurring no later than the mid-point of the academic year or the total program, whichever occurs first.

Course Repetitions

A student may at some point repeat a specific course during their program hours (i.e., low attendance rate, schedule change, leave of absence, etc.). These course repeats are included in the calculation of your satisfactory academic progress for Attendance, Academic, and Maximum Timeframe calculations.

Course Incompletes, Withdrawals & Official Interruptions (Leaves of Absence)

Course Incompletes, withdrawals and official interruptions have no effect upon satisfactory standards.

OTHER SCHOOL POLICIES

Course Length

Each class that begins will have a projected graduation date. Because your training consists of applying your craft while accumulating your hours, the actual graduation date will vary student to student depending on attendance determined by actual hours earned. Students who have transferred from another school, and whose hours have been accepted by the School, will have a projected graduation date based upon the remaining hours needed.

Students not completing their program by the end of their contract term will pay over-contract charges based upon their Enrollment Agreement. If a veteran student exceeds their training time and have incurred over-contract charges, these charges will not be paid by the veteran administration and will be the sole responsibility of the veteran. The veteran administration will only be billed for the approved program length.

Copyright Infringement Policy

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ’s at www.copyright.gov/help/faq.

Family Educational Rights and Privacy Act (FERPA) Policy

To protect the privacy of students and families, federal law sets certain conditions on the disclosure of personal information from records kept by schools that participate in the FSA programs. The relevant law is the Family Educational Rights and Privacy Act of 1974 (FERPA). For a hard copy of Avalon Institute’s FERPA policies, please visit the administrative offices, review the School Catalog, or go to the school’s website at: <http://avalon.edu/about/consumer-disclosure/>.

Avalon Institute's FERPA Policy covers important information with regards to the rights provided to student's records. This policy covers important information, including, but not limited to, the following:

- The right to inspect and review the student's educational records within 45 days of the day the School receives the request for access, and records that are exempt and not included as the student's record;
- The right to request an amendment of the student's educational records that the student believes are inaccurate, misleading, or in violation of the student's privacy;
- The right to deny consent to disclosures of personally identifiable and directory information contained in the student's educational records, except to the extent that FERPA authorizes disclosures without consent, such as the Department of Education and Accrediting Agencies (NACCAS);
- The definition of what Avalon Institute has designated as "Directory Information" that may be released without consent to any inquirer;
- Information regarding how students may request additional Personally Identifiable Information be disclosed to a specific individual (in writing, each time);
- Prevention of disclosure of directory information;
- Access without consent; and
- The right to file a complaint about alleged non-compliance with FERPA.

The policy is designed to ensure students' rights by safeguarding our academic and financial records and ensuring only authorized persons access them. Avalon retains student records for a minimum of 5 years and retains student transcripts indefinitely.

Transcript Requests: All students may obtain a copy of their transcripts by filling out a Transcript Request Form from the Administrative Offices. Once the form is completed and submitted, it will be processed and mailed to the student. The school may charge a reasonable fee when requested to provide official transcripts.

Housing

Avalon Institute does not provide, subsidize, or recommend housing.

Student Grievance Policy

If a student has a complaint or problem while they are at Avalon Institute, it is our sincere desire to help clear up the problem so that the educational process may continue to take place.

If the Student has a complaint with another student or a staff member, it is first recommended that they try to talk with that person and constructively work out the complaint. After this, if the Student is not satisfied, then it is recommended that they go to their instructor to have the instructor help work out the problem.

Then, if the instructor is unable to help resolve the problem, the Student is referred to the Education Director. The Education Director will then try to help resolve the problem. If none of the Student's efforts are successful, they are then referred to the School Director.

An official Student Complaint Form may be completed during any point during the process, but must be submitted within thirty (30) business days of when the incident/topic of the complaint occurred. The school has fourteen (14) business days to respond to any Student Complaint Form that has been submitted and the outcomes shall be documented. Student Complaints Forms are handled by the School Director, or designee. Once a determination for resolution of the complaint has been made by the School, the Student may appeal the determination if additional information or evidence is presented; however, once a final determination has been made the case is considered closed.

Attempting to resolve any issue with the school first is strongly encouraged. Complaints may be filed by a student or guardian at any time online with the Division of Private Occupational Schools (DPOS) within two years from the student's last date of attendance or at any time prior to the commencement of training at <http://highered.colorado.gov/dpos>, 303-862-3001.

Binding Arbitration and Class Action Waiver Agreement

Pursuant to the Federal Arbitration Act (9 U.S.C § 1-16), Student and Avalon agree that either party may elect, without the other's consent, to require that any dispute concerning the Student's account be resolved by binding arbitration. The only exception to arbitration of claims is that both the Student and School have the right to pursue a claim in state court instead of arbitration for claims related to the School's collection of any negative balance or amounts the Student owes Avalon under their Enrollment Agreement. The exception applies if the claim is in that court's jurisdiction and proceeds on an individual basis.

Arbitration replaces the right to go to court, including the right to a jury trial and the right to participate in a class-action or similar proceeding. The arbitration must be filed with the American Arbitration Association and must follow their rules and procedures for initiating and pursuing an arbitration.

If the Student or School initiates arbitration, the Student and School agree to notify the other in writing. The arbitration shall be conducted in the same city as the U.S. District Court in the Student's state that is closest to their home address, unless the parties agree to a different location in writing.

Nothing herein shall be deemed to limit or constrain the School's right to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate jurisdiction, provided, however, that the Student or School may elect to arbitrate any dispute related to such provisional remedies.
